**Item 2.02 Results of Operations and Financial Condition**

On April 3, 2017, Galaxy Gaming, Inc., (the "Company") filed a Current Report on Form 8-K to provide disclosures required under Item 4.02, Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review, related to the Company's financial statements previously issued for the fiscal year ended December 31, 2015, and for the quarters ended March 31, June 30, and September 30, 2016, due to two accounting errors noted during the preparation of the financial statements for the year ended December 31, 2016. This Amended Current Report on Form 8-K/A is filed to provide updated information about the Company's providing restated financial information as discussed below.

On April 17, 2017, the Company filed its annual report on Form 10-K for the fiscal year ended December 31, 2016, and on May 15, 2017, the Company filed its quarterly report on Form 10-Q for the period ended March 31, 2017, in which the accounting errors were corrected in the comparative 2016 periods. The restatements to reflect the correction of both errors are referred to herein collectively as the "Restatement."

In the original Current Report on Form 8-K, the Company disclosed its intention to amend its previously filed quarterly reports on Form 10-Q for the periods ended June 30 and September 30, 2016. However, after careful consideration, the Company's management and the Board of Directors have determined that amending the quarterly reports for the periods ended June 30 and September 30, 2016, is not necessary because the Company will provide the corrected comparative 2016 financial information in the reports to be filed for the corresponding periods in 2017. Accordingly, the Company will restate the financial statements for the three and six months ended June 30, 2016, in its quarterly report on Form 10-Q for the period ended June 30, 2017, to be filed on or before August 14, 2017. Similarly, the Company will restate the financial statements for the three and nine months ended September 30, 2016, in its quarterly report on Form 10-Q for the period ended September 30, 2017, to be filed on or before November 14, 2017.

Notwithstanding the foregoing, the tables below set forth the amounts as originally reported for the categories presented in the Company's financial statements that were affected by the Restatement, the effect of the Restatement and the restated amounts for the periods presented.
