The meeting will be held at 3273 E. This proxy statement and the enclosed form of proxy are first being mailed to shareholders on or about May 22, 2006.

RECORD DATE

The Board of Directors of Secured Diversified Investment, Ltd. has fixed the close of business on April 20, 2006, as the record date for the determination of shareholders entitled to notice of and to vote at the annual meeting.

PROXY SOLICITATION

In addition to the solicitation of proxies by the Board of Directors through use of the mails, proxies may also be solicited by Secured Diversified Investment, Ltd. and its directors, officers and employees (who will receive no additional compensation therefore) by telephone, telegram, facsimile transmission or other electronic communication, and/or by personal interview. We will reimburse banks, brokerage houses, custodians and other fiduciaries that hold shares of common stock in their name or custody, or in the name of nominees for others, for their out-of-pocket expenses incurred in forwarding copies of the proxy materials to those persons for whom they hold such shares. We will bear the costs of the annual meeting and of soliciting proxies therefore, including the cost of printing and mailing this proxy statement and related materials. We have spent approximately \$2,000 in legal and other expenses in the preparation of this proxy statement and other expenses connected with the solicitation of security holders. It is anticipated that we will spend an additional \$1,000 in solicitation of security holders before the meeting is held.

Any questions or requests for assistance regarding our proxies and related materials may be directed in writing to Jan Wallace, at 5205 East Lincoln Drive, Paradise Valley, Arizona 85253.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The presence, in person, of the holders of a majority of the outstanding voting shares is necessary to constitute a quorum at the annual meeting. The above matters require for their approval the affirmative vote of a majority of the shares represented at a meeting at which a quorum is present.

We have two (2) classes of voting securities entitled to vote at the annual meeting: Common Stock and Series A Preferred Stock. On the record date, there were 30,334,611 shares of Common Stock outstanding held by approximately 428 shareholders of record. Each share of Common Stock is entitled to one vote on each matter to be considered. There were also outstanding at the record date 7,234,600 shares of Series A Preferred Stock held by approximately 159 shareholders of record. Each share of Series A Preferred Stock is entitled to one vote on each matter to be considered. Holders of our outstanding voting shares do not have cumulative voting rights.

You may vote by either attending the meeting in person or by filling out and sending in your proxy. Voting shares that are represented by properly executed proxies, unless such proxies shall have previously been properly revoked (as provided herein), will be voted in accordance with the instructions indicated in such proxies. If no contrary instructions are indicated, such shares will be voted for the named nominees for the Board of Directors identified herein and for approval of the 2006 Stock Option Plan. Shares represented by proxies that have voted against the propositions presented at the meeting cannot be used to postpone or adjourn the meeting in order to solicit more votes for the proposition.

Brokers who hold shares in a street name have the authority to vote when they have not received instructions from the beneficial owners. Brokers who do not receive instructions, but who are present in person or by proxy at the meeting will be counted as present for quorum purposes.

OTHER MATTERS

It is not expected that any matters other than those referred to in this proxy statement will be brought before the meeting. If other matters are properly presented, however, the persons named as proxy appointees will vote in accordance with their best judgment on such matters. The grant of a proxy also will confer discretionary authority on the persons named as proxy appointees to vote in accordance with their best judgment on matters incident to the conduct of the meeting.

DISSENTERS' RIGHT OF APPRAISAL

There are no rights of appraisal or similar rights of dissenters with respect to any of the scheduled matters to be acted upon at the Annual Meeting.

REVOCATION OF PROXY

Any shareholder may revoke his, her, or its proxy (other than an irrevocable proxy coupled with an interest) at any time before it is voted, by: (1) filing with the corporate secretary of Secured Diversified Investment, Ltd. an instrument revoking the proxy; (2) returning a duly executed proxy bearing a later date; or (3) attending the meeting and voting in person. Attendance at the meeting will not by itself constitute revocation of a proxy.

SHAREHOLDERS ARE URGED TO READ AND CAREFULLY CONSIDER THE INFORMATION PRESENTED IN THIS PROXY STATEMENT, AND SHAREHOLDERS ARE URGED TO COMPLETE, DATE, SIGN AND PROMPTLY RETURN THE ENCLOSED PROXY.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

Four directors are to be elected at the annual meeting, to hold office for one year until the next annual meeting of shareholders, and until their successors are elected and qualified. It is intended that the accompanying proxy will be voted in favor of the following persons to serve as directors unless the shareholder indicates to the contrary on the proxy. Management expects that each of the nominees will be available for election, but if any of them are not candidates at the time the election occurs, it is intended that such proxy will be voted for the election of another nominee to be designated by the Board of Directors to fill any such vacancy.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Historically, we have not adopted a formal process for stockholder communications with the Board. Nevertheless, every effort has been made to ensure that the Board or individual directors, as applicable, hear the views of stockholders and that appropriate responses are provided to stockholders in a timely manner. Any matter intended for the Board, or for any individual member or members of the Board, should be directed to our Chief Executive Officer, Ms. Jan Wallace, with a request to forward the same to the intended recipient. All such communications will be forwarded unopened.

COMPANY COMMITTEES

Audit Committee

Our Board of Directors has appointed an audit Committee to oversee our financial reporting and auditing matters. The Audit Committee is responsible for reviewing and making recommendations concerning the selection of outside auditors, reviewing the scope, results and effectiveness of the annual audit of our financial statements and other services provided by our independent public accountants. The Audit Committee also reviews our internal accounting controls, practices and policies. The sole member of the Audit Committee is Peter Richman. We do not currently have a written audit committee charter.

We do not have an audit committee financial expert because of the size of our company and our board of directors at this time. We believe that we do not require an audit committee financial expert at this time because we retain outside consultants who possess these attributes.

Compensation Committee

Our Board of Directors does not maintain a standing compensation committee or other committees performing similar functions. The Board of Directors reviews the salaries and benefits of all employees, consultants, directors and other individuals that we compensate. The Board of Directors has no existing policy with respect to the specific relationship of corporate performance to executive compensation. The Board has set executive compensation at what the Board considers to be the minimal acceptable level necessary to retain and compensate the officer for his activities on our behalf.

The Nominating Committee

We do not currently have a standing nominating committee. Although we are not required to appoint and maintain a standing nominating committee, our full Board of Directors has evaluated the nomination process and abides by certain principals in the nomination of director candidates. In particular, when evaluating potential director nominees, the Board considers the following factors:

- ◇ The appropriate size of our Board of Directors;
- ◇ Our needs with respect to the particular talents and experience of our directors;
- ◇ The knowledge, skills and experience of nominees, including experience in finance, administration or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;
- ◇ Experience in political affairs;
- ◇ Experience with accounting rules and practices; and
- ◇ The desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by new board members.

Our goal is to assemble a Board of Directors that brings together a variety of perspectives and skills derived from high quality business and professional experience. In doing so, the Board will also consider candidates with appropriate non-business backgrounds.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Board of Directors may also consider such other factors as it may deem are in our best interests. In addition, the Board of Directors identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination. If any member of the Board does not wish to continue in service or if the Board decides not to re-nominate a member for re-election, the Board then identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the Board of Directors are polled for suggestions as to individuals meeting the criteria described above. The Board may also engage in research to identify qualified individuals. To date, we have not engaged third parties to identify or evaluate or assist in identifying

potential nominees, although we reserve the right in the future to retain a third party search firm, if necessary.

INVOLVEMENT IN CERTAIN LEGAL PROCEEDINGS

To the best of our knowledge, during the past five years, none of the following occurred with respect to a present or former director, executive officer, or employee: (1) any bankruptcy petition filed by or against any business of which such person was a general partner or executive officer either at the time of the bankruptcy or within two years prior to that time; (2) any conviction in a criminal proceeding or being subject to a pending criminal proceeding (excluding traffic violations and other minor offenses); (3) being subject to any order, judgment or decree, not subsequently reversed, suspended or vacated, of any court of competent jurisdiction, permanently or temporarily enjoining, barring, suspending or otherwise limiting his or her involvement in any type of business, securities or banking activities; and (4) being found by a court of competent jurisdiction (in a civil action), the SEC or the Commodities Futures Trading Commission to have violated a federal or state securities or commodities law, and the judgment has not been reversed, suspended or vacated.

OFFICER AND DIRECTOR LEGAL PROCEEDINGS

Except as set forth below, we are not a party to any pending legal proceeding and we are not aware of any pending legal proceeding to which any of our officers, directors, or any beneficial holders of 5% or more of our voting securities are adverse to us or have a material interest adverse to us.

Luis Leon v. Secured Diversified Investment, Ltd.

On April 6, 2005, we were served with a complaint in the matter of Luis Leon v. Secured Diversified Investment, Ltd. (case no. 05CC04651), filed in the Superior Court of California, County of Orange. The complaint contains causes of action for breach of contract, promissory estoppel, intentional misrepresentation, violations of the California Labor Code. The complaint seeks damages in an amount to be determined at trial but including \$116,359 of unpaid salary, \$16,667 for one month unpaid vacation time, \$5,548 for unpaid insurance benefits through August 15, 2005, reimbursable expenses of \$288 plus a statutory penalty of \$16,666 pursuant to Labor Code Section 201. Mr. Leon also seeks a grant of options to purchase \$250,000 of our common stock. On April 17, 2006, plaintiffs filed a notice of settlement with the court indicating that the parties settled on April 7, 2006. The parties settled for \$65,000 plus options for 150,000 shares of common stock at \$0.15. Each party is responsible for their own attorney's fees and costs.

Alliance Title Company, Inc. v. Secured Diversified

On January 13, 2006, Alliance Title Company, Inc. ("Alliance") filed a complaint in the matter of Alliance Title Company, Inc. v. Secured Diversified Investment, Ltd. (case no. 06CC02129) in the Superior Court of California, County of Orange.

The complaint alleges that Alliance, our escrow agent, was entrusted with \$267,000 pursuant to escrow instructions, and that a mutual written agreement among the parties to the escrow was required to properly disperse the funds. Alliance further alleges that no instructions were provided to disperse the funds, but instead, competing claims for the funds were made by Secured Diversified Investment, Ltd., Clifford L. Strand, William S. Biddle, Gernot Trolf, Nationwide Commercial Brokers, Inc., and Prime Time Auctions, Inc.

Alliance has deposited the funds with the court and has asked for a declaration of rights regarding the funds. We are contesting the case vigorously and are proceeding with discovery. At this time we cannot make any evaluation of the outcome of this litigation. Alliance has requested that its reasonable costs and attorney's fees be paid from the deposited funds.

Clifford L. Strand v. Secured Diversified Investment, Ltd.

On January 20, 2006, Clifford L. Strand, William S. Biddle, Gernot Trolf, our former management, and Nationwide Commercial Brokers, Inc., our former subsidiary (collectively, "Plaintiffs"), filed a complaint in the matter of Clifford L. Strand v. Secured Diversified Investment, Ltd. (case no. 06CC02350) in the Superior Court of California, County of Orange. Secured Diversified Investment, Ltd. and Ms. Jan Wallace have been named in this lawsuit. The complaint contains causes of action for fraud and misrepresentation, negligent misrepresentation, breach of contract, breach of the covenant of good faith and fair dealing, conversion, common counts, money had and received, and declaratory relief. These allegations arise out of the hold over of funds at issue in Alliance Title Company, Inc. v. Secured Diversified Investment, Ltd. (case no. 06CC02129), described above. To date, however, the matters have not been consolidated.

We filed a cross-complaint against all Plaintiffs, Alliance Title Company and Brenda Burnett, a former employee of Alliance. Our cross-complaint contains causes of action for breach of contract, breach of fiduciary duty, negligent supervision, civil conspiracy, intentional interference with economic relations, negligent interference with economic relations, breach of oral agreement, breach of employment contract, breach of director/officers' fiduciary duty, fraud/intentional misrepresentation, and declaratory relief. We are defending and prosecuting this case vigorously and are proceeding with discovery. At this time, we cannot make any evaluation of the outcome of this litigation.

William S. Biddle v. Secured Diversified Investment, Ltd.

On March 10, 2006, some of our shareholders, including Clifford L. Strand, Robert J. Leonard, William S. Biddle, and Gernot Trolf (collectively, "Plaintiffs") filed a complaint in the matter of William S. Biddle v. Secured Diversified Investment, Ltd. (case no. 06CC03959) in the Superior Court of California, County of Orange. Plaintiff seek declaratory relief as to whether we are a foreign corporation under California Corporation Code Section 2115(a) and whether Plaintiff's alleged demand for our shareholder list and for an inspection of the accounting books and records and minutes of shareholders, board of directors and committees of such board is governed under California Corporation Code Sections 1600 and 1601. We are contesting this case vigorously and are proceeding with discovery. At this time, we cannot make any evaluation of the outcome of this litigation.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Except as disclosed below, none of our directors or executive officers, nor any proposed nominee for election as a director, nor any person who beneficially owns, directly or indirectly, shares carrying more than 5% of the voting rights attached to all of our outstanding shares, nor any members of the immediate family (including spouse, parents, children, siblings, and in-laws) of any of the foregoing persons has any material interest, direct or indirect, in any transaction over the last three fiscal years or in any presently proposed transaction which, in either case, has or will materially affect us.

1. On March 31, 2003, we completed an Asset Purchase Agreement with Seashore Diversified Investment Company ("Seashore"). Seashore was a related party through common management, control and shareholders. The Asset Purchase Agreement provided us a period to conduct due diligence to determine whether the assets were fair and reasonable. However, Seashore did not have the necessary books and records for us to properly evaluate the value and merit of the transaction. Nevertheless, our board of directors decided to forebear due diligence afforded under the Asset Purchase Agreement. We ultimately issued 2,461,607 common shares and 4,997,807 Series A preferred shares to Seashore to acquire Katella Center in Orange, California, T-Rex Plaza Mall in Dickinson, North Dakota, 50% interest in Spencer Springs LLC and 50% interest in Decatur Center LLC. Spencer Springs and Decatur Center each own a shopping center in Las Vegas, Nevada.
2. In the first quarter 2003, Mr. Wayne Sutterfield paid a \$25,000 commission to Mr. Clifford L. Strand for services rendered in connection with the land sale and ground lease back of the 6.66 acres underlying the T-Rex Mall. Subsequently, on June 30, 2003, we impaired the property.
3. In March 2003, we formed Nationwide Commercial Brokers ("NCB") as our wholly-owned subsidiary. We capitalized NCB in the amount of \$12,000 from which Messrs. Biddle and Strand were compensated for serving as broker of record and an officer, respectively, of NCB.
4. In April 2003, we acquired the remaining 50% interest in Decatur Center, LLC. The selling members of Decatur Center, LLC, including William S. Biddle, received shares of our Preferred

B Preferred Stock in connection with the sale. Mr. Biddle and Mr. Clifford L. Strand received commissions on the transaction in the amount of 60,000 shares and 50,000 shares of our Series B Preferred Stock, respectively.

5. In November 2003, we acquired the remaining 50% interest in Spencer Springs, LLC. The selling members of Spencer Springs, LLC, including William S. Biddle, received shares of our Preferred B Preferred Stock in connection with the sale. Mr. Biddle and Mr. Clifford L. Strand received commissions on the transaction in the amount of 128,000 shares and 124,000 shares of our Series B Preferred Stock, respectively.
6. In August 2003, we acquired the Hospitality Inn and Dickinson Management Company from Seacrest Partners, L.P. in exchange for shares of our common stock and preferred A stock. Certain of our officers, directors and a major shareholder owned a majority of the limited partnership interests of Seacrest Partners, L.P. We received no independent appraisal of the Hospitality Inn. However, the related parties involved certified that the transaction was fair and reasonable. We issued 1,445,029 shares of common stock and 2,464,971 shares of preferred A stock to acquire the Hospitality Inn.
7. In February 2004, William S. Biddle, Robert Leonard and Sumiye Onodera-Leonard, through their trusts, loaned us \$150,000 bearing an interest rate of 12%. Messrs. Biddle and Leonard each received 50,000 shares of common stock for loaning us this money. The obligation was secured by Spencer Springs Shopping Center, and was later paid out in full from the proceeds of the sale of the property.
8. In December 2004, William S. Biddle and Robert J. Leonard together purchased a 37% membership interest in Spencer Springs, LLC valued at \$350,000 for \$200,000. The sole asset of Spencer Springs, LLC was the promissory note of Roger Anderson in the principal amount of \$950,000 due October 28, 2007. The note was secured by the Spencer Springs Shopping Center.
9. In October, 2004, William S. Biddle and Clifford L. Strand along with our tenant-in-common partner, Denver Fund I, agreed to pay our property manager, Shaw & Associates, a \$50,000 commission for bringing the Flamingo Road Arts and Antiques in as a lessee for the Cannery West Shopping Mall. Under the agreement, Nationwide Commercial Brokers, our wholly-owned subsidiary, was to receive a portion of the commission amounting to \$16,500. However, subsequently, this commission was divided between Clifford L. Strand and William S. Biddle.
10. In late 2004, we were informed by Clifford L. Strand and William S. Biddle that a prospective tenant of the Cannery West Shopping Center, known as the Flamingo Road Arts and Antiques, needed financial assistance. Messrs. Strand and Biddle indicated that having this tenant was essential to stabilize the Cannery West Shopping Center and solicited among our board of directors interested persons to invest in the Flamingo Road Arts and Antiques. While no other board member decided to invest, William S. Biddle and a shareholder of our company loaned \$150,000 to the Flamingo Road Arts and Antiques. At the same time, Mr. Biddle, on behalf of our company, afforded the Flamingo Road Arts and Antiques rental abatements of two months and no CAMS for the first year of the five year lease. Because the Flamingo Road Arts and Antiques was in arrears on rent payments and received certain concessions on the lease, the appraisal came in at \$500,000 less than the original sales price. As a result, the buyer requested a reduction in the sales price of \$500,000.
11. Initially, the proposed contract for sale of the Cannery West Shopping Center in July of 2005 listed two brokers for a total of 4% commissions: 2% for KB Morris representing the buyer and

2% for National Commercial Properties representing us. Mr. Biddle thereafter revised the agreement to include another 2% in commissions to Nationwide Commercial Brokers (“NCB”). Mr. Biddle told the board of directors that the 2% commission to NCB would go to two brokers, 1% for Certified Realty and another 1% for NCB, broken down as 20% to NCB and 80% to us. On July 13, 2005, Mr. Biddle, acting as our officer, submitted escrow instructions to Alliance Title, the escrow agent on this sales transaction, without the approval of the board of directors, requesting 20% of the sales price (or \$18,000) be paid to NCB and the remaining 80% of the sales price (or \$72,000) be paid to himself. After Mr. Biddle resigned as one of our officers and directors, he continued to submit escrow instructions to Alliance. The final escrow instruction listed \$18,000 to NCB, \$36,000 to Mr. Biddle and \$36,000 to Mr. Cliff L. Strand.

12. In July 2005, we sold our 100% interest in NCB to Robert Leonard for \$50,000, a large shareholder of our company and the Chairman of NCB.

- (1) As used in this table, "beneficial ownership" means the sole or shared power to vote, or to direct the voting of, a security, or the sole or shared investment power with respect to a security (i.e., the power to dispose of, or to direct the disposition of, a security). In addition, for purposes of this table, a person is deemed, as of any date, to have "beneficial ownership" of any security that such person has the right to acquire within 60 days after such date.
- (2) Clifford L. Strand and William S. Biddle, former officer and directors, are the managing members of REIT Consultants, LLC, a shareholder holding 2,000,000 shares of our Common Stock. Five shareholders acquired control of REIT Consultants, LLC through their respective trusts thereby controlling the 2,000,000 shares of Common Stock as a result of a default on a loan. We have learned that the debt underlying the loan was repaid and, as such, no default occurred. Thus, our disclosure in our 2003 annual statement on Form 10KSB claiming that a default occurred was inaccurate. For this reason, Mr. Wayne Sutterfield, one of the five shareholders, renounced his control over the shares held in REIT Consultants, LLC.
- (3) Includes 200,000 shares of Common Stock held in her name and warrants to purchase 400,000 shares of Common Stock held in Wallace Black Financial & Investment Services.

Includes 352,735 shares of Common Stock and 640,969 shares of Preferred A Stock held in Suttco, LLC. Also includes options to purchase 162,500 shares of Common Stock immediately exercisable or exercisable within sixty days.

Change in Control

On April 28, 2004, we and Denver Fund I, Ltd (“Denver Fund I”) entered into a Lease Agreement with Iomega Investments, LLC (“Iomega”) to lease the Cannery retail shopping center located on Flamingo Road in Las Vegas, Nevada. On the same date, Iomega granted us and Denver Fund I an option (the “Option Agreement”) to purchase the property commencing on May 14, 2004 for total consideration of \$5,950,000. The \$5,950,000 included an assumption of the first mortgage on the property in the principal amount of \$4,100,000, and a balance of \$1,850,000 to be paid partially by us and partially by Denver Fund I.

We and Denver Fund I exercised our right under the Option Agreement to purchase the property from Iomega. For our portion of the purchase price, we delivered to Iomega 250,000 shares of our Series C Preferred Stock (valued between the parties at \$3.00 per share) and a two-year promissory note in the principal amount of approximately \$155,000 (the “Promissory Note”), bearing interest at an annual rate of 7%. The principal amount of the Promissory Note was payable \$50,000 at the six month anniversary, \$50,000 at the 12 month anniversary and the remainder at maturity.

On December 14, 2005, we amended the terms of our portion of the purchase price with Iomega, and agreed to retire the Promissory Note in favor of Iomega by paying \$40,000.00 immediately in lieu of paying \$55,113.00 at maturity. We further agreed to convert Iomega’s 250,000 shares of Series C Preferred Stock into shares of our Common Stock as described below.

Following a letter request made by Iomega to convert its 250,000 shares of Series C Preferred Stock into shares of Common Stock, we requested our transfer agent, Fidelity Transfer Company, to issue 15,000,000 shares of Common Stock to Iomega, trading at \$0.05 per share, in exchange for Iomega’s 250,000 Series C Preferred Stock, which we valued at \$3.00 per share in the Option Agreement. As a result of the conversion, Iomega now controls 40.00% of the outstanding shares and therefore has substantial voting control of our company.

PROPOSAL NO. 2: APPROVAL OF 2006 STOCK OPTION PLAN

At the annual meeting, shareholders will be asked to consider and to take action on the 2006 Stock Option Plan. On March 8, 2006, our Board of Directors adopted the 2006 Stock Option Plan of Secured Diversified Investment, Ltd (the "2006 Plan"). The purpose of this Plan is to strengthen our company and subsidiaries by providing incentive stock options as a means to attract, retain, and motivate key corporate personnel through ownership of stock, and to attract individuals of outstanding ability to render services to and enter the employment of our company or subsidiaries. The 2006 plan authorizes the grant of stock options during any 12 month period that does not exceed the greater of: (1) \$1 million, (2) 15% of our total assets, or (3) 15% of our issued and outstanding common stock. The full text of the 2006 Stock Option Plan is attached to this Proxy Statement as [Exhibit 1.1](#). The board has not as yet issued any options under the plan.

In summary, this plan provides as follows:

TYPES OF STOCK OPTIONS

There shall be two types of Stock Options (referred to herein as "Options" without distinction between such different types) that may be granted under this Plan: (1) options intended to qualify as Incentive Stock Options under Section 422 of the Internal Revenue Code ("Qualified Stock Options"), and (2) options not specifically authorized or qualified for favorable income tax treatment under the Internal Revenue Code ("Non-Qualified Stock Options").

ADMINISTRATION OF THE PLAN

This Plan shall be administered by a "Compensation Committee" or "Plan Administrator" composed of members selected by, and serving at the pleasure of, the Board of Directors. Subject to the provisions of the Plan, the Plan Administrator shall have authority to construe and interpret the Plan; to promulgate, amend, and rescind rules and regulations relating to its administration; to select, from time to time, among the eligible employees and non-employee consultants (as determined pursuant to Section 5) those employees and consultants to whom Stock Options will be granted; to determine the duration and manner of the grant of the Options; to determine the exercise price, the number of shares and other terms covered by the Stock Options; to determine the duration and purpose of leaves of absence which may be granted to Stock Option holders without constituting termination of their employment for purposes of the Plan; and to make all of the determinations necessary or advisable for administration of the Plan. The

interpretation and construction by the Plan Administrator of any provision of the Plan, or of any agreement issued and executed under the Plan, shall be final and binding upon all parties. No member of the Committee or Board shall be liable for any action or determination undertaken or made in good faith with respect to the Plan or any agreement executed pursuant to the Plan.

GRANT OF OPTIONS

We are hereby authorized to grant Incentive Stock Options as defined in section 422 of the Code to any employee or director (including any officer or director who is an employee); provided, however, that no person who owns stock possessing more than 10% of the total combined voting power of all classes of our stock shall be eligible to receive an Incentive Stock Option under the Plan unless at the time such Incentive Stock Option is granted the Option price is at least 110% of the fair market value of the shares subject to the Option, and such Option by its terms is not exercisable after the expiration of five years from the date such Option is granted.

An employee may receive more than one Option under the Plan. Non-Employee directors shall be eligible to receive Non-Qualified Stock Options in the discretion of the Plan Administrator. In addition, Non-Qualified Stock Options may be granted to Consultants who are selected by the Plan Administrator.

STOCK SUBJECT TO PLAN

The stock available for grant of Options under this Plan shall be shares of our authorized but unissued, or reacquired, Common Stock. The aggregate sales price, or amount of securities sold, during any 12 month period may not exceed the greater of: (1) \$1 million, (2) 15% of our total assets, or (3) 15% of our issued and outstanding common stock, including shares previously issued under this Plan or other stock option plans we created, whichever is greater. The maximum number of shares for which an Option may be granted to any Optionee during any calendar year shall not exceed 5% of the issued and outstanding shares. In the event that any outstanding Option under the Plan for any reason expires or is terminated, the shares of Common Stock allocable to the unexercised portion of the Option shall again be available for Options under the Plan as if no Option had been granted with regard to such shares.

TERMS AND CONDITIONS OF OPTION

Specific requirements for the terms and conditions of all Option Agreements entered into are detailed in the Plan.

TERMINATION OR AMENDMENT OF THE PLAN

The Board of Directors may at any time terminate or amend the Plan; provided that, without approval of the holders of a majority of the shares of our Common Stock represented and voting at a duly held meeting at which a quorum is present or the written consent of a majority of the outstanding shares of Common Stock, there shall be (with limited exception) no increase in the total number of shares covered by the Plan, no change in the class of persons eligible to receive options granted under the Plan, no reduction in the exercise price of Options granted under the Plan, and no extension of the latest date upon which Options may be exercised; and provided further that, without the consent of the Optionee, no amendment may adversely affect any then outstanding Option or any unexercised portion thereof.

INDEMNIFICATION

In addition to such other rights of indemnification as they may have as members of the Board Committee that administers the Plan, the members of the Plan Administrator shall be indemnified by us against

reasonable expense, including attorney's fees, actually and necessarily incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein to which they, or any of them, may be a party by reason of any action taken or failure to act under or in connection with the Plan or any Option granted thereunder, and against any and all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by us). In addition, such members shall be indemnified by us for any amount paid by them in satisfaction of a judgment in any action, suit, or proceeding, except in relation to matters as to which it shall have been adjudged that such member is liable for negligence or misconduct in the performance of his or her duties, provided however that within 60 days after institution of any such action, suit, or proceeding, the member shall in writing offer us the opportunity, at our own expense, to handle and defend the same.

EFFECTIVE DATE AND TERM OF THE PLAN

This Plan became effective on March 8, 2006. Unless sooner terminated by the Board of Directors in its sole discretion, this Plan will expire on March 8, 2016.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF THE 2006 STOCK OPTION PLAN. PROXIES SOLICITED BY SECURED DIVERSIFIED INVESTMENT, LTD. WILL BE SO VOTED UNLESS SHAREHOLDERS SPECIFY IN THEIR PROXIES A CONTRARY CHOICE.

SELECTION OF AUDITORS

The Board of Directors selected Kabani & Company, Inc., Certified Public Accountants, as our independent auditors and business advisers to examine our financial statements for the fiscal year ended December 31, 2006.

There will be no representative of Kabani & Company, Inc. at the annual meeting.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

Audit Committee Report

The primary purpose of the Audit Committee is to assist the Board of Directors in its oversight of our internal controls and financial statements and the audit process. The sole member of the Audit Committee is Peter Richman. We do not currently have a written audit committee charter.

Management is responsible for the preparation, presentation and integrity of our financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors, Kabani & Company, Inc., certified public accountants, are responsible for performing an independent audit of the financial statements in accordance with generally accepted auditing standards.

In performing its oversight role, the Audit Committee has considered and discussed the audited financial statements with management. The Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as currently in effect. The Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, *Independence Discussions With Audit Committees*, as currently in effect, and has discussed with the auditors the auditors' independence.

Based on the review and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee with regard to its oversight functions referred to below, the Committee recommended to the Board that the audited financial statements be included in our annual report on Form 10-KSB for the fiscal year ended December 31, 2005 for filing with the Securities and Exchange Commission.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including with respect to auditor independence. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent auditors. Accordingly, the Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Committee's considerations and discussions referred to above do not assure that the audit of our financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles, or that Kabani & Company, Inc., certified public accountants, are in fact independent.

Independent Auditor Fees

Our Board of Directors reviews and approves audit and permissible non-audit services performed by our independent accountants, as well as the fees charged for such services. In its review of non-audit service fees and its appointment of Kabani & Company, Inc. as our independent accountants, the Board of Directors considered whether the provision of such services is compatible with maintaining independence. All of the services provided and fees charged by Kabani & Company, Inc. in 2005 and 2004 were approved by the Board of Directors. The following represents fees for audit services rendered by Kabani & Company, Inc. for the audit of our annual financial statements for the years ended December 31, 2005 and December 31, 2004 and fees billed for other services rendered by Kabani & Company, Inc. during those periods.

Audit Fees

The aggregate fees billed by our auditors for professional services rendered in connection with a review of the financial statements included in our quarterly reports on Form 10-QSB and the audit of our annual consolidated financial statements for the fiscal years ended December 31, 2005 and December 31, 2004 were approximately \$135,000 and \$82,784 respectively.

Audit-Related Fees

Our auditors did not bill any additional fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements.

Tax Fees

The aggregate fees billed by our auditors for professional services for tax compliance, tax advice, and tax planning were \$11,540 and 0 for the fiscal years ended December 31, 2005 and 2004.

All Other Fees

The aggregate fees billed by our auditors for all other non-audit services, such as attending meetings and other miscellaneous financial consulting, for the fiscal years ended December 31, 2005 and 2004 were \$0 and \$0 respectively.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

There were no fees billed by our auditors for: (a) directly or indirectly operating, or supervising the operation of, our information system or managing our local area network; or (b) designing or implementing a hardware or software system that aggregates source data underlying the financial statements or generates information that is significant to our financial statements taken as a whole. As there were no fees billed or expended for the above services, our Board of Directors did not consider whether such expenditures were compatible with maintaining the auditor's independence from our company.

 - (b) if the Common Stock is not then listed on an exchange or the NASDAQ National Market, but is quoted on the NASDAQ Small Cap Market, the NASDAQ electronic bulletin board or the National Quotation Bureau pink sheets, the average of the closing

4. Administration of the Plan

This Plan shall be administered by a "Compensation Committee" or "Plan Administrator" composed of members selected by, and serving at the pleasure of, the Board of Directors. Subject to the provisions of the Plan, the Plan Administrator shall have authority to construe and interpret the Plan, to promulgate, amend, and rescind rules and regulations relating to its administration, to select, from time to time, among the eligible employees and non-employee consultants (as determined pursuant to Section 5) of the Company and its subsidiaries those employees and consultants to whom Stock Options will be granted, to determine the duration and manner of the grant of the Options, to determine the exercise price, the number of shares and other terms covered by the Stock Options, to determine the duration and purpose of leaves of absence which may be granted to Stock Option holders without constituting termination of their employment for purposes of the Plan, and to make all of the determinations necessary or advisable for administration of the Plan. The interpretation and construction by the Plan Administrator of any provision of the Plan, or of any agreement issued and executed under the Plan, shall be final and binding upon all parties. No member of the Committee or Board shall be liable for any action or determination undertaken or made in good faith with respect to the Plan or any agreement executed pursuant to the Plan.

All of the members of the Committee shall be persons who, in the opinion of counsel to the Company, are outside directors and "non-employee directors" within the meaning of Rule 16b-3(b)(3)(i) promulgated by the Securities and Exchange Commission. -From time to time, the Board may increase or decrease the size of the Committee, and add additional members to, or remove members from, the Committee. The Committee shall act pursuant to a majority vote, or the written consent of a majority of its members, and minutes shall be kept of all of its meetings and copies thereof shall be provided to the Board. Subject to the provisions of the Plan and the directions of the Board, the Committee may establish and follow such rules and regulations for the conduct of its business as it may deem advisable.

At the option of the Board, the entire Board of Directors of the Company may act as the Plan Administrator during such periods of time as all members of the Board are "outside directors" as defined in Prop. Treas. Regs. §1.162-27(e)(3), except that this requirement shall not apply during any period of time prior to the date the Company's Common Stock becomes registered pursuant to Section 12 of the Securities Exchange Act of 1934, as amended.

5. Grant of Options

The Company is hereby authorized to grant Incentive Stock Options as defined in section 422 of the Code to any employee or director (including any officer or director who is an employee) of the Company, or of any of its subsidiaries; provided, however, that no person who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, or any of its parent or subsidiary corporations, shall be eligible to receive an Incentive Stock Option under the Plan unless at the time such Incentive Stock Option is granted the Option price is at least 110% of the fair market value of the shares subject to the Option, and such Option by its terms is not exercisable after the expiration of five years from the date such Option is granted.

An employee may receive more than one Option under the Plan. Non-Employee Directors shall be eligible to receive Non-Qualified Stock Options in the discretion of the Plan Administrator. In addition, Non-Qualified Stock Options may be granted to Consultants who are selected by the Plan Administrator.

6. Stock Subject to Plan

The stock available for grant of Options under this Plan shall be shares of the Company's authorized but unissued, or reacquired, Common Stock. The aggregate sales price, or amount of securities sold, during any 12 month period may not exceed the greater of: (1) \$1 million, (2) 15% of the total assets of the Company, or (3) 15% of the issued and outstanding common stock of the company, including shares previously issued under this Plan or other stock option plans created by the Company, whichever is greater. The maximum number of shares for which an Option may be granted to any Optionee during any calendar year shall not exceed 5% of the issued and outstanding shares. In the event that any outstanding Option under the Plan for any reason expires or is terminated, the shares of Common Stock allocable to the unexercised portion of the Option shall again be available for Options under the Plan as if no Option had been granted with regard to such shares.

7. Terms and Conditions of Options

Options granted under the Plan shall be evidenced by agreements (which need not be identical) in such form and containing such provisions that are consistent with the Plan as the Plan Administrator shall from time to time approve. Such agreements may incorporate all or any of the terms hereof by reference and shall comply with and be subject to the following terms and conditions:

- (a) **Number of Shares.** Each Option agreement shall specify the number of shares subject to the Option.
- (b) **Option Price.** The purchase price for the shares subject to any Option shall be determined by the Plan Administrator at the time of the grant, but shall not be less than 85% of Fair Market Value

per share. Anything to the contrary notwithstanding, the purchase price for the shares subject to any Incentive Stock Option shall not be less than 100% of the Fair Market Value of the shares of Common Stock of the Company on the date the Stock Option is granted. In the case of any Option granted to an employee who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, or any of its parent or subsidiary corporations, the Option price shall not be less than 110% of the Fair Market Value per share of the Common Stock of the Company on the date the Option is granted. For purposes of determining the stock ownership of an employee, the attribution rules of Section 424(d) of the Code shall apply.

- (c) **Notice and Payment.** Any exercisable portion of a Stock Option may be exercised only by: (a) delivery of a written notice to the Company prior to the time when such Stock Option becomes unexercisable herein, stating the number of shares being purchased and complying with all applicable rules established by the Plan Administrator; (b) payment in full of the exercise price of such Option by, as applicable, delivery of: (i) cash or check for an amount equal to the aggregate Stock Option exercise price for the number of shares being purchased, (ii) in the discretion of the Plan Administrator, upon such terms as the Plan Administrator shall approve, a copy of instructions to a broker directing such broker to sell the Common Stock for which such Option is exercised, and to remit to the Company the aggregate exercise price of such Stock Option (a "cashless exercise"), or (iii) in the discretion of the Plan Administrator, upon such terms as the Plan Administrator shall approve, shares of the Company's Common Stock owned by the Optionee, duly endorsed for transfer to the Company, with a Fair Market Value on the date of delivery equal to the aggregate purchase price of the shares with respect to which such Stock Option or portion is thereby exercised (a "stock-for-stock exercise"); (c) payment of the amount of tax required to be withheld (if any) by the Company, or any parent or subsidiary corporation as a result of the exercise of a Stock Option. At the discretion of the Plan Administrator, upon such terms as the Plan Administrator shall approve, the Optionee may pay all or a portion of the tax withholding by: (i) cash or check payable to the Company, (ii) a cashless exercise, (iii) a stock-for-stock exercise, or (iv) a combination of one or more of the foregoing payment methods; and (d) delivery of a written notice to the Company requesting that the Company direct the transfer agent to issue to the Optionee (or his designee) a certificate for the number of shares of Common Stock for which the Option was exercised or, in the case of a cashless exercise, for any shares that were not sold in the cashless exercise. Notwithstanding the foregoing, the Company, in its sole discretion, may extend and maintain, or manage for the extension and maintenance of credit to any Optionee to finance the Optionee's purchase of shares pursuant to the exercise of any Stock Option, on such terms as may be approved by the Plan Administrator, subject to applicable regulations of the Federal Reserve Board and any other laws or regulations in effect at the time such credit is extended.
- (d) **Terms of Option.** No Option shall be exercisable after the expiration of the earliest of: (a) ten years after the date the Option is granted, (b) three months after the date the Optionee's employment with the Company and its subsidiaries terminates, or a Non-Employee Director or Consultant ceases to provide services to the Company, if such termination or cessation is for any reason other than Disability or death, (c) one year after the date the Optionee's employment with the Company, and its subsidiaries, terminates, or a Non-Employee Director or Consultant ceases to provide services to the Company, if such termination or cessation is a result of death or Disability; provided, however, that the Option agreement for any Option may provide for shorter periods in each of the foregoing instances. In the case of an Incentive Stock Option granted to an

employee who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, or any of its parent or subsidiary corporations, the term set forth in (a) above shall not be more than five years after the date the Option is granted.

- (e) **Exercise of an Option.** No Option shall be exercisable during the lifetime of the Optionee by any person other than the Optionee. Subject to the foregoing, the Plan Administrator shall have the power to set the time or times within which each Option shall be exercisable and to accelerate the time or times of exercise; provided however, the Option shall provide the right to exercise at the rate of at least 20% per year over five years from the date the Option is granted. Unless otherwise provided by the Plan Administrator, each Option granted under the Plan shall become exercisable on a cumulative basis as to one-third (1/3) of the total number of shares covered thereby at any time after one year from the date the Option is granted and an additional one-third (1/3) of such total number of shares at any time after the end of each consecutive one-year period thereafter until the Option has become exercisable as to all of such total number of shares. To the extent that an Optionee has the right to exercise an Option and purchase shares pursuant hereto, the Option may be exercised from time to time by written notice to the Company, stating the number of shares being purchased and accompanied by payment in full of the exercise price for such shares.
- (f) **No Transfer of Option.** No Option shall be transferable by an Optionee otherwise than by will or the laws of descent and distribution.
- (g) **Limit on Incentive Stock Option.** The aggregate Fair Market Value (determined at the time the Option is granted) of the stock with respect to which an Incentive Stock Option is granted and exercisable for the first time by an Optionee during any calendar year (under all Incentive Stock Option plans of the Company and its subsidiaries) shall not exceed \$100,000. To the extent the aggregate Fair Market Value (determined at the time the Stock Option is granted) of the Common Stock with respect to which Incentive Stock Options are exercisable for the first time by an Optionee during any calendar year (under all Incentive Stock Option plans of the Company and any parent or subsidiary corporations) exceeds \$100,000, such Stock Options shall be treated as Non-Qualified Stock Options. The determination of which Stock Options shall be treated as Non-Qualified Stock Options shall be made by taking Stock Options into account in the Order in which they were granted.
- (h) **Restriction on Issuance of Shares.** The issuance of Options and shares shall be subject to compliance with all of the applicable requirements of law with respect to the issuance and sale of securities, including, without limitation, any required qualification under state securities laws. If an Optionee acquires shares of Common Stock pursuant to the exercise of an Option, the Plan Administrator, in its sole discretion, may require as a condition of issuance of shares covered by the Option that the shares of Common Stock be subject to restrictions on transfer. The Company may place a legend on the share certificates reflecting the fact that they are subject to restrictions on transfer pursuant to the terms of this Section. In addition, the Optionee may be required to execute a buy-sell agreement in favor of the Company or its designee with respect to all or any of the shares so acquired. In such event, the terms of any such agreement shall apply to the optioned shares.
- (i) **Investment Representation.** Any Optionee may be required, as a condition of issuance of shares covered by his or her Option, to represent that the shares to be acquired pursuant to exercise will

be acquired for investment and without a view toward distribution thereof, and in such case, the Company may place a legend on the share certificate(s) evidencing the fact that they were acquired for investment and cannot be sold or transferred unless registered under the Securities Act of 1933, as amended, or unless counsel for the Company is satisfied that the circumstances of the proposed transfer do not require such registration.

(j) Rights as a Shareholder or Employee. An Optionee or transferee of an Option shall have no right as a stockholder of the Company with respect to any shares covered by any Option until the date of the issuance of a share certificate for such shares. No adjustment shall be made for dividends (Ordinary or extraordinary, whether cash, securities, or other property), or distributions or other rights for which the record date is prior to the date such share certificate is issued, except as provided in paragraph (m) below. Nothing in the Plan or in any Option agreement shall confer upon any employee any right to continue in the employ of the Company or any of its subsidiaries or interfere in any way with any right of the Company or any subsidiary to terminate the Optionee's employment at any time.

(k) No Fractional Shares. In no event shall the Company be required to issue fractional shares upon the exercise of an Option.

(l) Exercise in the Event of Death. In the event of the death of the Optionee, any Option or unexercised portion thereof granted to the Optionee, to the extent exercisable by him or her on the date of death, may be exercised by the Optionee's personal representatives, heirs, or legatees subject to the provisions of paragraph (d) above.

(m) Recapitalization or Reorganization of the Company. Except as otherwise provided herein, appropriate and proportionate adjustments shall be made (1) in the number and class of shares subject to the Plan, (2) to the Option rights granted under the Plan, and (3) in the exercise price of such Option rights, in the event that the number of shares of Common Stock of the Company are increased or decreased as a result of a stock dividend (but only on Common Stock), stock split, reverse stock split, recapitalization, reorganization, merger, consolidation, separation, or like change in the corporate or capital structure of the Company. In the event there shall be any other change in the number or kind of the outstanding shares of Common Stock of the Company, or any stock or other securities into which such common stock shall have been changed, or for which it shall have been exchanged, whether by reason of a complete liquidation of the Company or a merger, reorganization, or consolidation with any other corporation in which the Company is not the surviving corporation, or the Company becomes a wholly-owned subsidiary of another corporation, then if the Plan Administrator shall, in its sole discretion, determine that such change equitably requires an adjustment to shares of Common Stock currently subject to Options under the Plan, or to prices or terms of outstanding Options, such adjustment shall be made in accordance with such determination.

To the extent that the foregoing adjustments relate to stock or securities of the Company, such adjustment shall be made by the Plan Administrator, the determination of which in that respect shall be final, binding, and conclusive. No right to purchase fractional shares shall result from any adjustment of Options pursuant to this Section. In case of any such adjustment, the shares subject to the Option shall be rounded down to the nearest whole share. Notice of any adjustment shall be given by the Company to each Optionee whose Options shall have been so adjusted and such

adjustment (whether or not notice is given) shall be effective and binding for all purposes of the Plan.

In the event of a complete liquidation of the Company or a merger, reorganization, or consolidation of the Company with any other corporation in which the Company is not the surviving corporation, or the Company becomes a wholly-owned subsidiary of another corporation, any unexercised Options granted under the Plan shall be deemed cancelled unless the surviving corporation in any such merger, reorganization, or consolidation elects to assume the Options under the Plan or to issue substitute Options in place thereof; provided, however, that notwithstanding the foregoing, if such Options would be cancelled in accordance with the foregoing, the Optionee shall have the right exercisable during a ten-day period ending on the fifth day prior to such liquidation, merger, or consolidation to exercise such Option in whole or in part without regard to any installment exercise provisions in the Option agreement.

(n) Modification, Extension and Renewal of Options. Subject to the terms and conditions and within the limitations of the Plan, the Plan Administrator may modify, extend or renew outstanding options granted under the Plan and accept the surrender of outstanding Options (to the extent not theretofore exercised). The Plan Administrator shall not, however, without the approval of the Board, modify any outstanding Incentive Stock Option in any manner that would cause the Option not to qualify as an Incentive Stock Option within the meaning of Section 422 of the Code. Notwithstanding the foregoing, no modification of an Option shall, without the consent of the Optionee, alter or impair any rights of the Optionee under the Option.

(o) Other Provisions. Each Option may contain such other terms, provisions, and conditions not inconsistent with the Plan as may be determined by the Plan Administrator.

8. Termination or Amendment of the Plan

The Board may at any time terminate or amend the Plan; provided that, without approval of the holders of a majority of the shares of Common Stock of the Company represented and voting at a duly held meeting at which a quorum is present or the written consent of a majority of the outstanding shares of Common Stock, there shall be (except by operation of the provisions of paragraph (m) above) no increase in the total number of shares covered by the Plan, no change in the class of persons eligible to receive options granted under the Plan, no reduction in the exercise price of Options granted under the Plan, and no extension of the latest date upon which Options may be exercised; and provided further that, without the consent of the Optionee, no amendment may adversely affect any then outstanding Option or any unexercised portion thereof.

9. Indemnification

In addition to such other rights of indemnification as they may have as members of the Board Committee that administers the Plan, the members of the Plan Administrator shall be indemnified by the Company against reasonable expense, including attorney's fees, actually and necessarily incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein to which they, or any of them, may be a party by reason of any action taken or failure to act under or in connection with the Plan or any Option granted thereunder, and against any and all amounts paid by them in settlement thereof (provided such settlement is approved by independent

legal counsel selected by the Company). In addition, such members shall be indemnified by the Company for any amount paid by them in satisfaction of a judgment in any action, suit, or proceeding, except in relation to matters as to which it shall have been adjudged that such member is liable for negligence or misconduct in the performance of his or her duties, provided however that within 60 days after institution of any such action, suit, or proceeding, the member shall in writing offer the Company the opportunity, at its own expense, to handle and defend the same.

10. Effective Date and Term of the Plan

This Plan shall become effective (the "Effective Date") on the date of adoption by the board of directors as evidenced by the date and signature below. Options granted under the Plan prior to shareholder approval are subject to cancellation by the Plan Administrator if shareholder approval is not obtained within 12 months of the date of adoption. Unless sooner terminated by the Board in its sole discretion, this Plan will expire on March 8, 2016.

IN WITNESS WHEREOF, the Company by its duly authorized officer, has caused this Plan to be executed this 8th day of March, 2006.
