To be held July 3, 2007**

NO PERSONS HAVE BEEN AUTHORIZED TO GIVE ANY INFORMATION OR TO MAKE ANY REPRESENTATIONS OTHER THAN THOSE CONTAINED IN THIS PROXY STATEMENT IN CONNECTION WITH THE SOLICITATION OF PROXIES MADE HEREBY, AND, IF GIVEN OR MADE, SUCH INFORMATION OR REPRESENTATIONS MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED BY SECURED DIVERSIFIED INVESTMENT, LTD. OR ANY OTHER PERSON.

MATTERS TO BE CONSIDERED

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Secured Diversified Investment, Ltd. (the "Company") for use at the annual meeting of the shareholders of the Company, or any adjournments thereof. The meeting will be held at 3273 E. Warm Springs Rd., Las Vegas, Nevada 89120, on July 3, 2007, at 11:00 am Pacific Daylight Time, for the following purposes:

1. To elect Ms. Jan Wallace, Mr. Peter Richman, and Mr. Jay Kister as members of our Board of Directors until the 2008 annual meeting of the shareholders or until their successors have been elected and qualified;
2. To approve a grant of authority to our Board of Directors to change the name of our company at a later date;
3. To approve a grant of authority to our Board of Directors to reverse split our outstanding common and preferred stock at a ratio of up to 10 to 1, as determined at a later date in the discretion of the Board of Directors; and
4. To transact any other business that may properly come before the meeting or any adjournment of the meeting.

This proxy statement and the enclosed form of proxy are first being mailed to shareholders on or about June 22, 2007.

RECORD DATE

The Board of Directors of Secured Diversified Investment, Ltd. has fixed the close of business on June 13, 2007 as the record date for the determination of shareholders entitled to notice of and to vote at the annual meeting.

PROXY SOLICITATION

In addition to the solicitation of proxies by the Board of Directors through use of the mails, proxies may also be solicited by Secured Diversified Investment, Ltd. and its directors, officers and employees (who will receive no additional compensation therefore) by telephone, telegram, facsimile transmission or other electronic communication, and/or by personal interview. The Company will reimburse banks, brokerage houses, custodians and other fiduciaries that hold shares of common stock in their name or custody, or in the name of nominees for others, for their out-of-pocket expenses incurred in forwarding copies of the proxy materials to those persons for whom they hold such shares. The Company will bear the costs of the annual meeting and of soliciting proxies therefore, including the cost of printing and mailing this proxy statement and related materials. The Company has spent approximately \$8,000 in legal and other expenses in the preparation of this proxy statement and other expenses connected with the solicitation of security holders. It is anticipated that the Company will spend an additional \$1,000 in solicitation of security holders before the meeting is held.

Any questions or requests for assistance regarding the Company's proxies and related materials may be directed in writing to the Chief Executive Officer, Jan Wallace, 12202 North Scottsdale Road Phoenix, AZ 85054.

QUORUM

The presence, in person or by proxy duly authorized, of 34% of all the shares outstanding, represented by shareholders of record, will constitute a quorum of that voting group for action on that matter. Shares of common stock present in person or represented by proxy (including shares which abstain or do not vote with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether a quorum exists at the annual meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The nominees elected as directors are those receiving the largest numbers of votes cast by the shares entitled to vote in the election, either present in person or represented by proxy at the meeting, up to the number of directors to be elected by such shares. Shareholders entitled to vote at any election of directors are not entitled to cumulative votes. Votes may be cast in favor of the election of directors or withheld. Votes that are withheld will be counted for the purposes of determining the presence or absence of a quorum, but will have no other effect on the election of directors.

The affirmative vote of the holders of a majority of the shares of common stock and Series A Preferred Stock outstanding on the record date is required for the grant of authority to the Company's Board of Directors to change the Company's name and to conduct a reverse split of up to 10 to 1 of the Company's outstanding stock. Stockholders may vote in favor of or against these proposals, or they may abstain. Abstentions will be counted for purposes of determining the presence or absence of a quorum and will have the same effect as a vote against the proposals listed in this proxy statement.

On the record date, there were 2,896,820 shares of common stock outstanding held by approximately 436 shareholders of record. Each share of common stock is entitled to one vote on each matter to be considered. There were also outstanding at the record date 355,978 shares of Series A Preferred Stock held by approximately 159 shareholders of record. Each share of Series A Preferred Stock is entitled to one vote on each matter to be considered.

Shares held in "street name" by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter will not be voted in favor of such matter and will not be counted as shares voting on such matter. Accordingly, broker non-votes, if any, will be counted for the purposes of determining the presence or absence of a quorum, but will have no effect on the election of directors or the approval of the other matters voted upon at the annual meeting.

OTHER MATTERS

All Proxies will be voted in accordance with the instructions of the stockholder. If no choice is specified, the proxies will be voted FOR the election of all the nominees to serve as our directors and FOR the approval of all of the other proposals set forth in the accompanying Notice of Meeting and on the proxy card. If other matters are properly presented, however, the persons named as proxy appointees will vote in accordance with their best judgment on such matters. The grant of a proxy also will confer discretionary authority on the persons named as proxy appointees to vote in accordance with their best judgment on matters incident to the conduct of the annual meeting.

SHAREHOLDER PROPOSALS

No proposals have been received from any shareholder to be considered at the annual meeting.

The deadline for submittal of shareholder proposals for the next regularly scheduled annual meeting will be not less than 120 calendar days before the date of the company's proxy statement released to shareholders in connection with the previous year's annual meeting. A shareholder proposal submitted outside the processes of SEC Regulation Section 240.14a-8 will be considered untimely if received at the principal offices of the Company on or after 45 days prior to the Company's release of its proxy statement to shareholders.

DISSENTERS' RIGHT OF APPRAISAL

There are no rights of appraisal or similar rights of dissenters with respect to any of the scheduled matters to be acted upon at the annual meeting.

REVOCAION OF PROXY

Execution of a proxy by a shareholder will not affect such shareholder's right to attend the annual meeting and to vote in person. Any shareholder who executes a proxy has a right to revoke it at any time before it is voted by: (a) advising the Company in writing of such revocation; (b) executing a later-dated proxy which is presented to us at or prior to the annual meeting; or (c) appearing at the annual meeting and voting in person. Attendance at the annual meeting will not itself be deemed to revoke a proxy unless the shareholder gives affirmative notice at the annual meeting that the stockholder intends to revoke the proxy and vote in person.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No person has any substantial interest, direct or indirect, in the any matter to be acted upon other than the election of directors.

SHAREHOLDERS ARE URGED TO READ AND CAREFULLY CONSIDER THE INFORMATION PRESENTED IN THIS PROXY STATEMENT, AND SHAREHOLDERS ARE URGED TO COMPLETE, DATE, SIGN AND PROMPTLY RETURN THE ENCLOSED PROXY.

At the annual meeting, shareholders will be asked to consider and to take action on the election of three persons to the Board of Directors (the "Board"). The persons named below are nominees for election as a director and all nominees are currently serving as directors of the Company. LEGAL PROCEEDINGS

On January 13, 2006, Alliance Title Company, Inc. ("Alliance") filed a complaint in the matter of Alliance Title Company, Inc. v. Secured Diversified Investment, Ltd. (case no. 06CC02129) in the Superior Court of California, County of Orange. The complaint alleges that Alliance, our escrow agent, was entrusted with \$267,000 pursuant to escrow instructions, and that a mutual written agreement among the parties to the escrow was required to properly disperse the funds. Alliance further alleges that no instructions were provided to disperse the funds, but instead, competing claims for the funds were made by Secured Diversified Investment, Ltd., Clifford L. Strand, William S. Biddle, Gernot Trolf, Nationwide Commercial Brokers, Inc., and Prime Time Auctions, Inc.

Alliance has deposited the funds with the court and has asked for a declaration of rights regarding the funds. On April 5, 2007, this matter was settled with all parties involved. Each of the parties involved will pay its prorata share of these costs.

On January 5, 2007, our company and Ms. Jan Wallace entered into a Confidential Settlement and General Release Agreement (the "Settlement Agreement") with Mr. Clifford L. Strand to resolve litigation in the matters of Clifford L. Strand v. Secured Diversified Investment, Ltd. (case no. 06CC02350) in the Superior Court of California, County of Orange, and William S. Biddle v. Secured Diversified Investment, Ltd. (case no. 06CC03959) in the Superior Court of California, County of Orange (the "Lawsuits"), as well as other claims involving Mr. Strand and our company as set forth in the Agreement.

With respect to the \$267,000 that Alliance Title Company deposited with the Superior Court of California in the matter of Alliance Title Company, Inc. v. Secured Diversified Investment, Ltd. (case no. 06CC02129), we had previously entered into a settlement agreement with Mr. William S. Biddle, Mr. Gernot Trolf, and Nationwide Commercial Brokers, Inc. that provides an order of disbursement as follows: \$45,000 to Mr. Biddle, \$42,000 to Mr. Trolf, \$33,803 to Nationwide, and \$33,803 to our company. Pursuant to an order dated May 16, 2006, Alliance Title Company, Inc. received \$22,395 for attorney fees in the interpleader action. This left a balance of \$89,998 remaining with the Superior Court of California. The Settlement Agreement with Mr. Strand provides that a stipulation and order of disbursement will be filed on the remaining \$89,998 as follows: \$80,000 to Mr. Strand and \$9,998 to our company.

In addition to the above disbursement, the Settlement Agreement provides for a mutual release of claims, forbearance of prosecution, and dismissal of the Lawsuits with prejudice. Mr. Strand expressly waived any and all rights he may have had in connection with reemployment with our company, and agreed to refrain from pursuing complaints against our company and our officers and directors in any court or government agency.

Further under the Settlement Agreement, Mr. Strand granted an irrevocable proxy in connection with any shares of stock beneficially owned by him.

To the best of the Company's knowledge, during the past five years, none of the following occurred with respect to a present or former director, executive officer, or employee: (1) any bankruptcy petition filed by or against any business of which such person was a general partner or executive officer either at the time of the bankruptcy or within two years prior to that time; (2) any conviction in a criminal proceeding or being subject to a pending criminal proceeding (excluding traffic violations and other minor offenses); (3) being subject to any order, judgment or decree, not subsequently reversed, suspended or vacated, of any court of competent jurisdiction, permanently or temporarily enjoining, barring, suspending or otherwise limiting his or her involvement in any type of business, securities or banking activities; and (4) being found by a court of competent jurisdiction (in a civil action), the SEC or the Commodities Futures Trading Commission to have violated a federal or state securities or commodities law, and the judgment has not been reversed, suspended or vacated.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Other than as disclosed below, none of our directors or executive officers, nor any proposed nominee for election as a director, nor any person who beneficially owns, directly or indirectly, shares carrying more than 5% of the voting rights attached to all of our outstanding shares, nor any members of the immediate family (including spouse, parents, children, siblings, and in-laws) of any of the foregoing persons has any material interest, direct or indirect, in any transaction since our incorporation or in any presently proposed transaction which, in either case, has or will materially affect us.

On February 15, 2006, we acquired a 33 1/3% tenant-in-common interest in property located at 12202 North Scottsdale Road, Phoenix, Arizona 85054. We acquired our interest for \$200,000 from Ms. Jan Wallace, our officer and director, who holds the remaining 66 2/3% ownership in the property.

In April 2005, we entered into a Consulting Agreement with Wallace Black Financial & Investment Services (“WB”) to provide consulting services to us. Jan Wallace, our Chief Executive Officer, is a principal of WB. The Consulting Agreement provides for payment of \$10,000 per month, the issuances of 400,000 shares of 144 restricted shares of common stock and 400,000 warrants exercisable at a price range from \$0.50 to \$2.00 for five (5) years from the date the contract is executed. Of the common shares issued to Wallace Black, only 200,000 shares were placed in Ms. Wallace’s name and the remaining 200,000 shares were issued to Ms. Black. The warrants to purchase 400,000 shares remain held in WB, in which Ms. Wallace holds indirect beneficial ownership. Additionally, Ms. Wallace was to be granted shares having a fair market value of \$22,500 for each full month of service. In December 2005, we renegotiated the agreement with Ms. Wallace, who agreed accept the unpaid portion in cash through August 31, 2005, amounting to \$112,500 and reduce her compensation to \$8,500 per month through December 31, 2005. Ms Wallace also agreed to cancel shares issued for each month of service. Ms Wallace had received 45,000 shares that she returned to our corporate treasury.

Officers, directors, and greater than ten percent beneficial shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. COMMITTEES

Secured Diversified Investment, Ltd. does not currently have a compensation committee, executive committee, or stock plan committee. Secured Diversified Investment, Ltd. is currently quoted on the OTC Bulletin Board ("OTCBB"), which is sponsored by the NASD, under the symbol "SDVF." The OTCBB does not have any listing requirements mandating the establishment of any particular committees.

Audit Committee

We do not have a separately-designated standing audit committee. The entire board of directors performs the functions of an audit committee, but no written charter governs the actions of the board of directors when performing the functions of that would generally be performed by an audit committee. The board of directors approves the selection of our independent accountants and meets and interacts with the independent accountants to discuss issues related to financial reporting. In addition, the board of directors reviews the scope and results of the audit with the independent accountants, reviews with management and the independent accountants our annual operating results, considers the adequacy of our internal accounting procedures and considers other auditing and accounting matters including fees to be paid to the independent auditor and the performance of the independent auditor.

We do not have an audit committee financial expert because of the size of our company and our board of directors at this time. We believe that we do not require an audit committee financial expert at this time because we retain outside consultants who possess these attributes.

For the fiscal year ending December 31, 2006, the board of directors:

1. Reviewed and discussed the audited financial statements with management, and
2. Reviewed and discussed the written disclosures and the letter from our independent auditors on the matters relating to the auditor's independence.

Based upon the board of directors' review and discussion of the matters above, the board of directors authorized inclusion of the audited financial statements for the year ended December 31, 2006 to be included in the Company's Annual Report on Form 10-KSB/A and filed with the Securities and Exchange Commission.

Nominating Committee

The Company's Board of Directors does not maintain a nominating committee. As a result, no written charter governs the director nomination process. The size of the Company and the size of the Board, at this time, do not require a separate nominating committee.

The Company's independent directors annually review all director performance over the past year and make recommendations to the Board for future nominations. When evaluating director nominees, the Company's independent directors consider the following factors:

- The appropriate size of the Company's Board of Directors;
- The needs of the Company with respect to the particular talents and experience of its directors;

- The knowledge, skills and experience of nominees, including experience in finance, administration or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;
- Experience in political affairs;
- Experience with accounting rules and practices; and
- The desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by new Board members.

The Company's goal is to assemble a Board that brings together a variety of perspectives and skills derived from high quality business and professional experience. In doing so, the Board will also consider candidates with appropriate non-business backgrounds.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Board may also consider such other factors as it may deem are in the best interests of the Company and its stockholders. In addition, the Board identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination. If any member of the Board does not wish to continue in service or if the Board decides not to re-nominate a member for re-election, the Board then identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the Board are polled for suggestions as to individuals meeting the criteria described above. The Board may also engage in research to identify qualified individuals. To date, the Company has not engaged third parties to identify or evaluate or assist in identifying potential nominees, although the Company reserves the right in the future to retain a third party search firm, if necessary. The Board does not typically consider shareholder nominees because it believes that its current nomination process is sufficient to identify directors who serve the Company's best interests.

MEETINGS OF THE BOARD OF DIRECTORS

During the fiscal year ended December 31, 2006, the Board met 5 times, in person or by telephonic conference. Each incumbent Director attended in excess of 75 percent of the total meetings of the Board. In addition, various matters were approved by consent resolution which in each case was signed by each of the members of the Board then serving.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF THE NOMINEES. PROXIES SOLICITED BY SECURED DIVERSIFIED INVESTMENT, LTD. WILL BE SO VOTED UNLESS SHAREHOLDERS SPECIFY IN THEIR PROXIES A CONTRARY CHOICE.

PROPOSAL NO. 2
BOARD AUTHORITY TO CHANGE NAME

The Board of Directors approved, and recommends that the Company's shareholders approve, a grant of authority to the Board of Directors to amend our Articles of Incorporation for the sole purpose of changing the name of the corporation at a later date to a name that the Board of Directors deems advisable.

The Board of Directors believes that this authorization is in our best interest in that it will provide us the ability to change our name to best fit our developing business plan and objectives. In the past, we have undertaken a business model that includes investing in real estate properties designed to provide immediate appreciation with little debt service. We have been unsuccessful, however, in achieving revenues under this business plan. Several of our acquired real estate properties have become impaired and /or were assets that underperformed. These properties were incapable of generating sufficient revenues. As a result, our business plan to invest in real estate properties has failed.

At the date of this proxy statement, our company stands in financial jeopardy and may not continue as a going concern. We are not likely to raise capital under the present business model. As a result, our management has determined that it is in our best interest to attempt to locate and acquire new or additional business opportunities. Our new name will need to reflect any such new business opportunity as it is highly unlikely that our current name will suffice in this regard.

The principal purpose of this proposal is to save the cost and expense of another information statement once we determine what business or industry in which we intend to conduct our business operations, by private or public financing or by acquisition. We are currently exploring our alternatives including other business ventures and may need to change our name to more adequately reflect the nature of our business. If our name has to be changed to more adequately reflect our business, the time, delay and expense in having to call a special meeting for that purpose would be a disadvantage. Although the Board of Directors has no present intention of changing the name, if we are successful in changing the nature of our business, it would be beneficial to change the name in the event of a change of business, merger or acquisition.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF AUTHORIZING THE BOARD TO CONDUCT A NAME CHANGE. PROXIES SOLICITED BY SECURED DIVERSIFIED INVESTMENT, LTD. WILL BE SO VOTED UNLESS SHAREHOLDERS SPECIFY IN THEIR PROXIES A CONTRARY CHOICE.

PROPOSAL NO. 3
BOARD AUTHORITY TO REVERSE SPLIT

Our Board of Directors approved, and recommends that the Company's shareholders approve, a grant of authority to the Board of Directors to reverse split the Company's outstanding capital stock, including common stock, Series A Preferred Stock, and Series B Preferred Stock, at a ratio of up to 10 to 1, as determined at a later date in the discretion of the Board of Directors.

Our Board of Directors believes that it is in our best interest to grant authority to the Board to implement a reverse split at a later date if needed. As noted above, we are attempting to locate and acquire new or additional business opportunities. While no such relationships or funding have been identified as of yet, and while no particular plans, understandings or agreements are in place, we believe that the currently large number of issued and outstanding shares may negatively affect the consummation of any such relationship and that a smaller number of issued and outstanding shares will assist and attract funding sources or merger partners on terms that will be most beneficial to us and our stockholders.

As with the name change proposal above, the principal purpose of this proposal is to save the cost and expense of another information statement once a business opportunity is discovered. If a reverse split of the Company's capital stock is required to consummate a business relationship, the time, delay and expense in having to call a special meeting for that purpose would be a disadvantage. Although the Board of Directors has no present intention of conducting a reverse stock split, it is in our best interest to provide the Board the flexibility needed to acquire a valuable business opportunity. Due to this uncertainty, we do not know at the present time whether the Board will decide to reverse split the Company's outstanding capital stock or, if the Board decides to do so, whether the Board will choose to split the Company's outstanding shares on a 10 to 1 or lesser ratio.

How a Reverse Stock Split Will Affect Stockholders

The stock split will affect all of our stockholders uniformly and will not affect any stockholders percentage ownership interests in the company, except to the extent that the result of the reverse stock split results in any of our shareholders owning a fractional share. If this occurs, the fractional shares will be rounded up to the next whole share. Additionally, if as a result of the reverse split calculations, any shareholders holding is reduced to an ownership of less than one share, or zero, we will round up that fractional share and grant such a shareholder at least one share in the Company, or, at our option, purchase the stockholders shares at the bid price existing for our stock on the day prior to the effectiveness of the reverse split. Such cash payments will reduce the number of post-reverse stock split stockholders to the extent there are stockholders presently who would otherwise receive less than one share of stock after the reverse stock split and we elect to cash out such shareholders. In addition, the reverse stock split will not affect any stockholders percentage ownership or proportionate voting power, subject to the treatment of fractional shares.

The principal effect of the reverse stock split will be that the number of shares of the common and preferred stock issued and outstanding will be reduced as follows (assuming the Board exercises its right to reverse split up to 10 to 1):

Title of Stock	Shares Pre-Reverse	Shares Post-Reverse
Common Stock	2,896,820	289,682
Series A Preferred Stock	355,978	35,598
Series B Preferred Stock	8,044	805

The number of authorized shares will remain unaffected by this proposal.

Effect on Fractional Stockholders

The percentage of outstanding shares owned by each shareholder prior to the split will remain the same. Any fractional shares created by this reverse split will be rounded up to the next whole share. Additionally, if as a result of the reverse split calculations, any shareholder's holdings is reduced to an ownership of less than one share, or zero, we will round up that fractional share and grant such a shareholder at least one share in the Company, or, at our option, purchase the stockholder's shares at the bid price existing for our stock on the day prior to the effectiveness of the reverse split. No transaction costs will be assessed on this sale, however, the proceeds will be subject to federal income tax. In addition, fractional shareholders will not be entitled to receive interest for the period of time between the effective date of the reverse stock split and the date they receive payment for the cashed-out shares. The payment amount will be paid to the holder in the form of a check in accordance with the procedures outlined below.

After the reverse stock split, fractional shareholders will have no further interest in us with respect to the cashed-out shares. A person otherwise entitled to a fractional interest will not have any voting, dividend or other rights except to receive payment as described above.

If you do not hold sufficient shares of stock to receive at least one share in the reverse stock split and you want to continue to hold our stock after the reverse stock split, you may do so by taking either of the following actions far enough in advance so that it is completed by the effective date of the reverse stock split:

1. purchase a sufficient number of shares of stock so that you hold at least an amount of shares in your account prior to the reverse stock split that would entitle you to receive at least one share of stock on a post-reverse stock split basis; or
2. if applicable, consolidate your accounts so that you hold at least an amount of shares of stock in one account prior to the reverse stock split that would entitle you to receive at least one share of stock on a post-reverse stock split basis. Shares held in registered form (that is, shares held by you in your own name in our stock records maintained by our transfer agent) and shares held in "street name" (that is, shares held by you through a bank, broker or other nominee), for the same investor will be considered held in separate accounts and will not be aggregated when effecting the reverse stock split.

You should be aware that, under the escheat laws of the various jurisdictions where you reside, where we are domiciled and where the funds will be deposited, sums due for fractional interests that are not timely claimed after the effective time of the reverse stock split may be required to be paid to the designated agent for each such jurisdiction. Thereafter, stockholders otherwise entitled to receive such funds may have to seek to obtain them directly from the state to which they were paid.

Effect on Registered and Beneficial Stockholders

Upon the reverse stock split, we intend to treat stockholders holding stock in "street name," through a bank, broker or other nominee, in the same manner as registered stockholders whose shares are registered in their names. Banks, brokers or other nominees will be instructed to effect the reverse stock split for their beneficial holders, holding the stock in "street name." However, such banks, brokers or other nominees may have different procedures than registered stockholders for processing the reverse stock split. If you hold your shares with such a bank, broker or other nominee and if you have any questions in this regard, we encourage you to contact your nominee.

Effect on Registered "Book-entry" shareholder

Our registered stockholders may hold some or all of their shares electronically in book-entry form. These stockholders will not have stock certificates evidencing their ownership of the stock. They are, however, provided with a statement reflecting the number of shares registered in their accounts. If you hold registered shares in a book-entry form, you do not need to take any action to receive your post-reverse stock split shares or your cash payment in lieu of any fractional share interest, if applicable. If you are entitled to post-reverse stock split shares, a transaction statement will automatically be sent to your address of record indicating the number of shares you hold. If you are entitled to a payment in lieu of any fractional share interest, a check will be mailed to you at your registered address as soon as practicable after the effective date.

Effect on Registered Certificated Shares

Some of our registered stockholders hold all their shares in certificate form or a combination of certificate and book-entry form. If any of your shares are held in certificate form, you will receive a transmittal letter from our transfer agent, Fidelity Transfer Company, as soon as practicable after the effective date of the reverse stock split. The letter of transmittal will contain instructions on how to surrender your certificate(s) representing your pre-reverse stock split shares to the transfer agent. Upon receipt of your stock certificate and executed letter of transmittal you will be issued a new certificate reflecting your post-reverse stock split shares. If you are entitled to a payment in lieu of any fractional share interest, such payment will be made as described above under "Effect on Fractional Shareholders". Shareholders should not destroy any stock certificate(s) and should not submit any certificate(s) until requested to do so.

Potential Anti-Takeover Effect

The reverse stock split is not being proposed in response to any effort of which we are aware to accumulate the shares of stock or obtain control of us.

Procedure for Effecting Reverse Stock Split

The reverse stock split will become effective on the date decided by the Board of Directors in its sole discretion. Beginning on the effective date, each certificate representing pre-reverse stock split shares will be deemed for all corporate purposes to evidence ownership of post-reverse stock split shares.
