On March 16, 2022, Tice Brown sent a Notice of Director Nomination and Proposal (the "Notice") to the Company's Board of Directors (the "Board") which notified the Board that he planned to nominate himself to the Board at the Company's 2022 Annual Meeting of Stockholders (the "2022 Annual Meeting"). The Notice also notified the Company that Tice Brown intends to introduce a non-binding proposal at the 2022 Annual Meeting requesting that the Board take the necessary steps to declassify the Board (in a manner that does not affect the unexpired terms of the previously elected directors). A copy of the Notice is attached hereto as Exhibit 99.1 and is incorporated by reference herein. Tice Brown believes that he has the qualifications, experience and skill sets necessary to serve as a director of the Issuer.

Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels of the Common Stock, conditions in the securities markets and general economic and industry conditions, Tice Brown may in the future take actions with respect to his investment in the Issuer as he deems appropriate including, without limitation, purchasing additional Common Stock, selling some or all of his Common Stock, engaging in short selling of or any hedging or similar transaction with respect to the Common Stock or changing his intention with respect to any and all matters referred to in Item 4.

As Tice Brown continues to take the necessary steps to prepare for a potential proxy contest in connection with the 2022 Annual Meeting, he intends to continue to engage in discussions with the Board and/or management relating to his concerns with the Issuer's board composition, plans for maximizing stockholder value, and the need to make the Board more accountable to stockholders.

Except as set forth in this Schedule 13D, Tice Brown has no present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a)-(j) of Item 4 of Schedule 13D.

Certain Information Concerning The Participants

Tice Brown intends to file a preliminary proxy statement and accompanying proxy card with the SEC to be used to solicit proxies from the Company's stockholders in connection with the 2022 Annual Meeting to have stockholders elect Tice Brown to the Company's Board of Directors (the "Board") and approve a non-binding proposal requesting that the Board take the necessary steps to declassify the Board.

TICE BROWN STRONGLY ADVISES ALL STOCKHOLDERS OF THE COMPANY TO READ THE PROXY STATEMENT AND OTHER PROXY MATERIALS AS THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION. SUCH PROXY MATERIALS WILL BE AVAILABLE AT NO CHARGE ON THE SEC'S WEB SITE AT [HTTPS://WWW.SEC.GOV](https://www.sec.gov).

RE: Notice of Nomination of Director and Stockholder Proposal

Ladies and Gentlemen:

I personally own 965,851 shares of Galaxy Gaming, Inc. (the "Company") or approximately 4.3% of shares outstanding worth approximately \$4mm. I am extremely excited about Galaxy's current business, and believe it has an exceptionally bright future. You and the management team have done an extraordinary job of operational management of this extraordinary business. I believe that I would be a valuable addition to the Board of Directors.

I currently serve as the Chairman of the Board of Directors of PharmChem, Inc., and have extensive experience in public markets investing and debt financing. I am a graduate of Harvard College and Harvard Law School. I have spent my career analyzing financial statements and managing financial businesses, and have managed Woodmont Partners, a family office of personally-owned public and private investments focused on real estate and small operating businesses across the South and Midwest, since 2014.

I believe that I am in a unique position to address a few concerns that I have with the way the Company is currently being governed, including:

Option Grant Dilution

I am concerned with the degree of dilution that has been experienced by stockholders over the last few years. I believe in the near- to medium-term, this business will have an equity market valuation a significant multiple higher than current prices. As such, these issuances of equity come at very painful cost of equity capital to stockholders. I think much of the current undervaluation of the Company stems from stockholder discomfort with this equity issuance.

I have been anxious to see that, since the last Form 10-Q was filed just a few months ago, nearly 2.5% of the Company has been granted to a new board member, the current CFO, CEO, and currently serving Board members.

Mr. Lipparelli owns options on more than 8% of shares outstanding. Mr. Cravens similarly owns more than 5%. These were almost entirely awarded as compensation. At this point, I believe all management involved will increase their wealth much more by maximizing stockholder value rather than by continuing to pay out new option grants.

Premature Sale

I am acutely concerned about the risk of the Company selling itself in the next few years (unless it's for at least 5x or 10x the current market price). Management obviously has a different set of incentives than shareholders in a sale, as they could benefit from very favorable employment opportunities in an acquiring company. However, I believe if the Company were able to be left to grow independently, the value to stockholders could be tremendously higher over 3-5 years.

Classified Board

On February 13, 2020, the Company amended and restated their Bylaws to include a number of measures that limit the power of stockholders to participate in the management of the Company, including implementing a classified Board. I believe that a classified Board is detrimental to the welfare of the Company, as it reduces the accountability of the Board to their Stockholders.

Cheryl Kondra

I specifically have grave concerns about the Company's recent appointment of Cheryl Kondra to the Board of Directors. Despite her previous experience in gaming, currently Ms. Kondra serves as the Vice President of Internal Audit at Tractor Supply Company, an industry which is unrelated to the services provided by the Company. Ms. Kondra's Board of Directors Services Agreement granted her an eye-popping signing bonus of 75,000 restricted shares of the Company's Common Stock, as well as ongoing grants.

Of course a business needs to pay its management and board. But if at all possible, this payment needs to come in the form of cash compensation when the company's equity is trading at such a steep discount to fair value.

When elected, I will serve as a director for free, and will not accept any compensation in cash, shares, or options from the Company.

For the above reasons, I am submitting the following notice to nominate myself to the Board of Directors, and a proposal requesting that the Board of Directors declassify the Board.

NOTICE OF NOMINATION AND PROPOSAL

In accordance with the requirements (the "Bylaw Requirements") of Article II, Section 2.12 and Section 2.13 of the Bylaws (the "Bylaws")¹ of Galaxy Gaming, Inc., a Nevada corporation (the "Company"), Tice P. Brown ("Tice Brown") submits this notice (together with the Attachments hereto, which Attachments are incorporated herein by reference, this "Notice") in connection with the Company's 2022 Annual Meeting of Stockholders or a Special Meeting of Stockholders (whether in lieu of an annual meeting or otherwise) that includes the election of directors (in each case including any adjournments, postponements or other delays thereof, the "2022 Annual Meeting"). Tice Brown hereby (i) nominates Tice Brown (in such capacity, the "Nominee") for election as a director of the Company to serve for a term expiring at the Company's 2025 Annual Meeting of Stockholders and until his successor is duly elected and qualified, or until his earlier death, resignation or removal (the "Nomination") and (ii) notifies the Company that he intends to submit a proposal at the 2022 Annual Meeting to request that the Company's Board of Directors take the steps necessary to reorganize the Board of Directors into one class, with each director subject to election each year and to provide that this will not affect the unexpired terms of directors elected prior to the proposal's implementation (the "Proposal").

Tice Brown reserves the right to further nominate, substitute or add additional persons, or make additional stockholder proposals, in the event that (a) the Company purports to increase the number of directorships; (b) the Company makes or announces any changes to the Bylaws or takes or announces any other action that purports to have, or if consummated would purport to have, the effect of disqualifying the Nominee or any additional nominee nominated pursuant to clauses (a) or (b) of this paragraph or any business however proposed; or (c) the Nominee is unable or becomes unwilling for any reason to serve as a director. Additional nominations made pursuant to the preceding clauses (a) or (b) are without prejudice to the position of Tice Brown that any attempt by the Company to change the size of its board of directors (the “Board”) or disqualify the Nominee through amendments to the Bylaws or otherwise would constitute unlawful manipulation of the Company’s corporate machinery. Tice Brown reserves the right to nominate additional persons to fill any vacancies on the Board.

¹ For purposes of this Notice, we have assumed that the Amended and Restated Bylaws filed as Exhibit 3.2 to the Company’s Form 8-K filed on February 14, 2020 are the operative Bylaws of the Company.

This Notice is submitted by Tice Brown. Tice Brown represents that he is beneficial owner of 965,851 shares of common stock, par value \$.001 per share (the “Common Stock”), of the Company, of which 1,000 shares are in record position. The 964,851 shares of Common Stock beneficially owned and the 1,000 shares of Common Stock owned in record position by Tice Brown are referred to as the “Shares.” Tice Brown will update his notice to the Company in accordance with Article II, Section 2.13 of the Bylaws if necessary so that the information above is accurate as of the record date for notice of the 2022 Annual Meeting and as of the date that is ten business days prior to the 2022 Annual Meeting. The Shares are entitled to vote at the 2022 Annual Meeting.

Except as set forth in this Notice, Tice Brown has no information to disclose in response to the Bylaw Requirements. In certain instances in which a disclosure item is not applicable or no disclosure is required to be made pursuant to the Bylaw Requirements or Regulation 14A under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), a response may not have been provided in this Notice. The exhibits and any attachments thereto are incorporated into and made a part of this Notice. Accordingly, all matters disclosed in any part of this Notice, including the exhibits and all attachments thereto, should be deemed to be disclosed for all purposes of this Notice. All capitalized terms appearing in the exhibits and all attachments thereto that are not defined in such exhibits or attachments have the meanings given to them in the body of this Notice or the exhibits or attachments, as applicable.

To the knowledge of Tice Brown, there are 22,354,804 shares of Common Stock that may be voted at the 2022 Annual Meeting. This number is taken from the Company’s quarterly report on Form 10-Q for the three months ended September 30, 2021. Tice Brown intends to vote all of the Shares in favor of the election of the Nominee to the Board and in favor of the Proposal.

The solicitation for the Nomination and the Proposal will be made by Tice Brown. Proxies may be solicited by mail, press releases and other public statements, electronic communications, telephone, fax, internet and in-person meetings, as and to the extent permitted by applicable law.

Tice Brown has retained InvestorCom to solicit proxies in connection with the 2022 Annual Meeting. InvestorCom may solicit proxies from individuals, banks, brokers, custodians, nominees, other institutional holders and other fiduciaries and will employ approximately 25 people in its effort. Tice Brown has agreed to reimburse InvestorCom for its reasonable expenses and to pay its fees in connection with the proxy solicitation. Tice Brown has also agreed to indemnify InvestorCom against certain liabilities arising out of or in connection with the engagement. It is currently expected that the fees payable to InvestorCom in connection with this proxy solicitation will not exceed \$40,000.

In addition to the costs related to the engagement of InvestorCom, costs related to this solicitation of proxies include expenditures for printing, postage, legal services and other related items.

The entire expense of soliciting proxies is being borne by Tice Brown. Costs of this solicitation of proxies are currently estimated to be approximately \$250,000 (including, but not limited to, fees for attorneys, solicitors and other advisors, and other costs incidental to the solicitation). Tice Brown estimates that through the date hereof his expenses in connection with this solicitation are approximately \$75,000. To the extent legally permissible, if Tice Brown is successful in his proxy solicitation, then Tice Brown intends to seek reimbursement from the Company for the expenses he incurs in connection with this solicitation. The Board of Directors of the Company, which would include Tice Brown if he is elected, would be required to evaluate the requested reimbursement consistent with their fiduciary duties to the Company and its Stockholders. Tice Brown does not intend to submit the question of such reimbursement to a vote of security holders of the Company.

Tice Brown does not plan to employ regular employees of the Company to solicit proxies.

Tice Brown currently intends to deliver a proxy statement and form of proxy to a sufficient number of holders of shares of Common Stock to elect the Nominee and approve the Proposal. Mr. Brown reserves the right to change this intention at any time.

Tice Brown may be deemed to have an interest in the Nomination directly or indirectly through the record or beneficial ownership of shares of Common Stock and for the other reasons set forth in this Notice. The Nominee may be deemed to have an interest in his election to the Board by virtue of the compensation and indemnification that he will, or will be entitled to, receive from the Company if elected as a director. **If elected, however, Tice Brown does not plan to seek or accept any compensation from the Company as a non-employee director.**

Tice Brown may be deemed to have an interest in the Proposal directly or indirectly through the record or beneficial ownership of shares of Common Stock and for the other reasons set forth in this Notice.

Except as described in this Notice, there are no arrangements, agreements or understandings between or among Tice Brown and any other persons or entities in connection with the Nomination or Proposal. Except as described in this Notice, Mr. Brown will not receive additional compensation in connection with Nomination or Proposal.

Please see below under *Certain Information Relating to Tice Brown* for information on Mr. Brown’s present principal occupation or employment.

During the past ten years, Tice Brown has not been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

Except as set forth in this Notice, neither Tice Brown nor any Associate owns beneficially, directly or indirectly, or of record but not beneficially, any securities of the Company, or any parent or subsidiary of the Company. The applicable Shares were acquired by Mr. Brown using his investment capital.

Tice Brown may be deemed to have the power to vote and dispose of the shares of Common Stock disclosed in this Notice that he may be deemed to beneficially own. The Shares are or may be held from time to time in margin accounts established with the respective brokers or banks of the applicable person or entity, and a portion of the

purchase price for such shares may have been obtained through margin borrowing. Common Stock positions held in margin accounts may be pledged as collateral security for the repayment of debit balances in the margin accounts.

Except as set forth in this Notice, Tice Brown is not, nor has been within the past year, a party to any contract, arrangement or understanding with any person with respect to any securities of the Company, including, but not limited to, joint ventures, loan or option arrangements, puts or calls, guarantees against loss or guarantees of profit, division of losses or profit, or the giving or withholding of proxies, consents or authorizations.

Except as set forth in this Notice, no Associate of Tice Brown owns any securities of the Company, or any parent or subsidiary of the Company.

Except as set forth in this Notice, neither Tice Brown nor any related person to Mr. Brown has any disclosable information under Item 404(a) of Regulation S-K, and neither Tice Brown nor any related person to Mr. Brown (a) is either a party to any transaction or series of transactions since the beginning of the Company's last fiscal year, or has knowledge of any currently proposed transaction or series of proposed transactions, (i) to which the Company or any of its subsidiaries was or is to be a participant; (ii) in which the amount involved exceeds \$120,000; and (iii) in which Mr. Brown or any related person to Mr. Brown had, or will have, a direct or indirect material interest; or (b) has a substantial interest, direct or indirect, by security holdings or otherwise, in any matter presently expected by Mr. Brown to be acted upon at the 2022 Annual Meeting.

The Nominee, if elected, will be entitled to receive compensation, if any, paid by the Company to its non-employee directors. If elected, however, Tice Brown does not plan to seek or accept any compensation from the Company as a non-employee director.

Tice Brown believes that the Company may maintain, at its expense, a policy of insurance that insures its directors and officers. The Bylaws also contain provisions that provide for indemnification of directors to the fullest extent permitted by applicable law. Mr. Brown expects, if elected, he will be indemnified for service as a director of the Company to the same extent that indemnification is provided to the current directors of the Company under the Bylaws. Mr. Brown also believes that, upon election, he will be covered by the Company's director and officer liability insurance, if any.

Except as set forth in this Notice, the Nominee will not receive any compensation to serve as a nominee or, if elected, as a director of the Company.

Except as set forth in this Notice, neither Tice Brown nor any Associate of Tice Brown has any arrangements or understandings with any person or persons with respect to any future employment by the Company or its affiliates or with respect to any future transactions to which the Company or any of its affiliates will or may be a party.

Except as set forth in this Notice, there are no material proceedings in which the Nominee or any of his Associates is a party adverse to the Company or any of its subsidiaries, or material proceedings in which the Nominee or any of his Associates has a material interest adverse to the Company or any of its subsidiaries.

Except as set forth in this Notice, there are no material pending legal proceedings, other than ordinary routine litigation incidental to the business, disclosable under Item 103(c)(2) of Regulation S-K with respect to Tice Brown.

Except as set forth in this Notice, (a) no occupation or employment is or was, during such period, carried on by the Nominee with the Company or any corporation or organization that is or was a parent, subsidiary or other affiliate of the Company; and (b) the Nominee has never served on the Board.

Except as set forth in this Notice, there are no arrangements or understandings between the Nominee and any other party pursuant to which the Nominee was or is to be selected as a director or nominee, as applicable.

Except as set forth in this Notice, there are no arrangements or understandings between the Nominee and any other party with respect to the Proposal.

Except as set forth in this Notice, there are no family relationships between the Nominee and any director or executive officer of the Company.

During the last ten years, the Nominee was not involved in any of the events described in Item 401(f) of Regulation S-K and that are material to an evaluation of the ability or integrity of any such Nominee to become a director of the Company.

During no portion of the Company's most recent fiscal year was Tice Brown the beneficial owner of more than 10 percent of the Common Stock. To the knowledge of Tice Brown, he did not fail to file on a timely basis any reports required by Section 16(a) of the Exchange Act during the Company's most recent fiscal year or any other applicable prior fiscal years.

Except as set forth in this Notice, Tice Brown has no knowledge of any facts that would prevent the determination that he is an independent director under Rule 4200(a)(15) of The Nasdaq Stock Market, Inc., the standard set forth in the Company's proxy statement for the 2021 Annual Meeting of Stockholders.

THE PROPOSAL

(Article II, Section 2.13(a)(ii))

(ii) as to any other business that the Proposing Person proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and in the event that such business includes a proposal to amend the Bylaws, the language of the proposed amendment), the reasons for conducting such business at the meeting and any substantial interest (within the meaning of Item 5 of Schedule 14A under the Exchange Act) in such business of such Proposing Person;

Tice Brown proposes to submit for a vote at the 2022 Annual Meeting a proposal substantially in the form below. Tice Brown proposes to request that the Company’s Board of Directors take the steps necessary to reorganize the Board of Directors into one class with each director subject to election each year and to provide that this reorganization will not affect the unexpired terms of directors elected prior to the Proposal’s implementation.

Tice Brown is submitting the Proposal because he believes that annual elections foster board accountability and considers adoption of a declassified board structure a corporate governance “best practice”, as well as providing a greater voice to Stockholders, which Mr. Brown believes will increase the Company’s performance to the benefit of the Stockholders.

Other than through his Shares and his potential nomination to the Board of Directors, Tice Brown does not have a substantial interest in the Proposal within the meaning of Item 5 of Schedule 14A under the Exchange Act.

The text of the proposal and supporting comments, including the text of the resolutions proposed for consideration, which Tice Brown proposes to submit for a vote by the Company’s Stockholders, is set forth below.

PROPOSAL NO. [] — ELECT EACH DIRECTOR ANNUALLY

“RESOLVED, that stockholders of Galaxy Gaming, Inc. (the ‘Company’) request that the Board of Directors of the Company (the ‘Board’) take all necessary steps to eliminate the classification of the Board and to require that all directors elected by the stockholders be elected on an annual basis commencing with the first annual meeting of stockholders for the election of directors occurring after the elimination of the classification of the Board, provided that the unexpired terms of directors elected prior to the proposal’s implementation will not be affected.”

Arthur Levitt, former Chairman of the Securities and Exchange Commission said, “In my view it’s best for the investor if the entire board is elected once a year. Without annual election of each director stockholders have far less control over who represents them.”

Annual elections are widely viewed as a corporate governance best practice. Annual election of each director could make directors more accountable, and thereby contribute to improved performance and increased company value. The vast majority of companies in the S&P 500 and Russell 1000 indexes elect all board members annually.

Through an amendment to the Company’s Bylaws, the Board classified the Board in 2020 without stockholder approval. Through the amended Bylaws, the Board is currently divided into three classes serving staggered three-year terms. It is my belief that the classification of the Board is strong proof that the Board is not acting in the best interest of stockholders. A classified board protects the incumbents, which in turn limits accountability to stockholders.
