## Methods of Voting

### *By Internet, Telephone or Mail*

**Your vote is important, no matter the number of shares of the Company's common stock you own. The Company urges you to sign, date, and return the enclosed WHITE universal proxy card today to vote FOR the election of the Nominees and the other proposals on the agenda for the 2023 Annual Meeting.**

- If your shares of common stock are registered in your own name, please mark, sign and date the enclosed WHITE universal proxy card and return it to Galaxy in the enclosed postage-paid envelope today.
- If your shares of common stock are held in a brokerage account or bank, you are considered the beneficial owner of the shares of common stock, and these proxy materials, together with a WHITE universal proxy card, are being forwarded to you by your broker or bank. As a beneficial owner, you must instruct your broker, trustee or other representative how to vote. Your broker cannot vote your shares of common stock on your behalf without your instructions. As a beneficial owner, you may vote the shares at the 2023 Annual Meeting only if you obtain a legal proxy from the broker or bank giving you the rights to vote the shares.
- Depending upon your broker or custodian, you may be able to vote either by toll-free telephone or by the Internet. Please refer to the enclosed WHITE universal proxy card for instructions on how to vote electronically. You may also vote by signing, dating and returning the enclosed WHITE universal proxy card.

When a stockholder submits a proxy via the Internet or by telephone, his or her proxy is recorded immediately. The Company encourages its stockholders to submit their proxies using these methods whenever possible. If you submit a proxy via the Internet or by telephone, please do not return your WHITE universal proxy card by mail. If you attend the virtual Annual Meeting, you may also submit your vote online at the virtual Annual Meeting. Any votes that you previously submitted — whether via the Internet, by telephone or by mail — will be superseded by the vote that you cast at the Annual Meeting.

Your vote is important. Accordingly, please submit your proxy via the Internet, by telephone or by mail, whether or not you plan to attend the Annual Meeting.

Stockholders are requested to submit their proxies through one of the above methods. All properly submitted proxies will be voted in accordance with the instructions indicated. If you are a stockholder of record and you submit your proxy but do not specify how the shares represented thereby are to be voted, your shares will be voted "FOR" with respect to the election of the Company's two (2) nominees for members of the Board, and "FOR" Proposal 2.

The Board does not presently intend to bring any business before the Annual Meeting other than that referred to in this Proxy Statement and specified in the Notice of the Annual Meeting. By signing and returning a WHITE universal proxy card, a stockholder confers discretionary authority on the proxies (who are persons designated by the Board) to vote all shares covered by the proxy card in their discretion on any other matter that may properly come before the Annual Meeting.

### **Changing Your Vote**

A stockholder may revoke a proxy at any time prior to its being voted by delivering written notice to the Corporate Secretary of the Company, by delivering a properly executed later-dated proxy card, by submitting a later-dated proxy via the internet or telephone, or by voting at the Annual Meeting. Your latest vote counts.

### **Quorum**

The presence at the Annual Meeting or by proxy (regardless of whether the proxy has authority to vote on all matters), of the holders of not less than fifty percent (50%) of the shares entitled to vote at the Annual Meeting constitutes a quorum for the transaction of business.

### **Vote Required**

Assuming a quorum is present, directors will be elected (Proposal 1) by a plurality of the votes cast in person or by proxy at the Annual Meeting. Thus, the two director nominees receiving the highest number of votes will be elected.

Assuming a quorum is present, Proposal 2 (Ratification of Accounting Firm) each requires that the number of votes cast “FOR” such proposal exceeds the number of votes “AGAINST” at the Annual Meeting.

### **Effect of Withheld Votes or Abstentions**

If you vote “WITHHOLD” in the election of directors or vote “ABSTAIN” (rather than vote “FOR” or “AGAINST”) with respect to any other proposal, your shares will count as present for purposes of determining whether a quorum is present. A “WITHHOLD” vote will have no effect on the outcome of the election of directors (Proposal 1), and an “ABSTAIN” vote will not be counted as a vote cast “FOR” or “AGAINST” and will accordingly have no effect on the outcome of Proposal 2.

### **Effect of Broker Non-Votes**

A broker “non-vote” occurs when a broker or nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power on that item and has not received specific instructions from the beneficial owner. Brokers only have discretionary voting authority under “routine” proposals under the rules. If any broker “non-votes” occur at the meeting, the broker “non-votes” will count for purposes of determining whether a quorum is present but will not have an effect on any proposals presented for your vote because they are not considered votes cast. A broker or other nominee holding shares for a beneficial owner may not vote these shares with respect to the election of directors (Proposal 1). Brokers and other nominees will have discretionary voting power to vote without instructions from the beneficial owner on the ratification of the appointment of our independent registered public accounting firm (Proposal 2).

### **Proxy Solicitation**

We will pay the costs of our proxy solicitation. Proxies are being solicited primarily by mail, but, in addition, our officers and employees may solicit proxies in person, by telephone or electronically. The Company has also retained Kingsdale Advisors for certain advisory services and to aid in the solicitation of proxies and will request brokerage houses and other nominees, fiduciaries and custodians to forward soliciting materials to beneficial owners of the Company’s common stock. For these services, the Company will pay Kingsdale Advisors a fee of up to \$90,000 plus reimbursement for reasonable out-of-pocket expenses.

**PROPOSAL 1**  
**ELECTION OF DIRECTORS**

The Board is elected by our stockholders to oversee the management of the business and affairs of the Company. The Board serves as the ultimate decision-making body of the Company, except for those matters reserved for or shared with stockholders. The Board appoints our executives, who are charged with conducting the business and affairs of the Company, subject to oversight by the Board. In accordance with the Company's Second Amended and Restated Bylaws, the directors of the Company serve three (3)-year staggered terms. The Board has fixed the size of the Board at five members. The five current directors of the Company are:

Name	Age	Director Since	Class	Term Expire
Mark A. Lipparelli	57	2017	Class I	2024 Annual Meeting
Michael Gavin Isaacs	58	2019	Class III	2025 Annual Meeting
Cheryl A. Kondra	50	2021	Class III	2025 Annual Meeting
Meredith Brill	48	2022	Class II	2023 Annual Meeting
Bryan W. Waters	60	2015	Class II	2023 Annual Meeting

\* Mr. Lipparelli serves as our independent Chairman of the Board.

On July 13, 2022 the Board appointed Meredith Brill to the Board to fill the vacancy created by the resignation of William A. Zender.

**Nominees for Election**

The Second Amended and Restated Bylaws of the Company provides for the classification of the Board into three (3) classes serving staggered terms, with each Class serving for a three (3)-year term, or until their respective successor has been duly elected and qualified or their earlier death, resignation or removal. For the 2022 Annual Meeting, the Board has nominated the two (2) Class II directors, Mr. Bryan Waters and Ms. Meredith Brill, for re-election, each to serve for a three (3)-year term ending at the Company's 2026 Annual Meeting, or until their respective successor has been duly elected and qualified or their earlier death, resignation or removal. Mr. Waters has served as a director since 2015, and Ms. Brill has served as a director since July 13, 2022. Ms. Brill was first identified to the Board as a potential candidate by a subcommittee of the Board of Directors.

The Board recommends that you vote "FOR" the election of each of Mr. Bryan Waters and Ms. Meredith Brill for re-election, and the persons named as proxies on the enclosed WHITE universal proxy card will vote the proxies received by them for the election of each of the nominees. Each nominee has indicated a willingness to serve as a director. However, if any nominee becomes unavailable to serve before the election, proxies may be voted for a substitute nominee selected by the Board, or the Board may decide to reduce the number of directors.

The name, business experience and certain other information regarding each of the Board's nominees is set forth below:

The Board considers Mr. Waters to be qualified to serve on the Board given his experience at running, successfully growing and exiting private equity sponsored companies and his skills at building and leading teams to achieve outstanding results using a combination of judgment, experience and enthusiasm.

#### **Qualifications of Directors**

Our directors are responsible for overseeing the management of the Company’s business and affairs, which requires highly skilled and experienced individuals. Our Board does not maintain a separate nominating committee. The entire Board from time to time engages in evaluating the appropriate size, needs and diversity of the Board with the objective of maintaining the necessary experience, skills and independence on the Board.

When evaluating director nominees, our directors consider the following factors:

- The appropriate size and diversity of our Board;
- Our needs with respect to the particular talents and experience of our directors;
- The knowledge, skills and experience of nominees, including experience in finance, administration or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;
- Experience in political affairs;
- Experience with accounting rules and practices;
- The desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by new Board members; and
- Experience in the gaming industry and the desire and ability to successfully pass the extensive regulatory suitability investigations required by the Company and many gaming jurisdictions.

Our goal is to assemble a Board that brings together a variety of perspectives and skills derived from high quality business and professional experience. In doing so, the Board will also consider candidates with appropriate non-business backgrounds. Other than the foregoing, there are no stated minimum criteria for director nominees, although the Board may also consider such other factors as it may deem are in our best interests as well as our stockholders, including a nominee's experience and licensure in the gaming industry. Although the Board does not have a formal policy on diversity, it believes that diversity is an important consideration in the composition of the Board, and it seeks to include Board members with diverse backgrounds, perspectives, geography, culture, ethnicity, gender and experiences. Further criteria include the candidates' integrity and values, as well as the willingness to devote sufficient time to attend meetings and participate effectively on the Board and its committees.

Current members of the Board are polled for suggestions as to individuals meeting the criteria described above. The Board may also engage in research to identify qualified individuals. To date, we have not engaged third parties to identify or evaluate or assist in identifying additional potential nominees, although we reserve the right in the future to retain a third-party search firm, if necessary. The Board does not have a formal policy regarding the consideration of director candidates recommended by stockholders because it believes that its current nomination process is sufficient to identify directors who serve the Company's best interests. The Board would evaluate any stockholder nominees based on the same criteria as all other director nominees, including without limitation, the ability to successfully pass the strict suitability investigations conducted by the Company and various gaming regulatory agencies.

**THE BOARD RECOMMENDS A VOTE "FOR" EACH OF THE TWO NOMINEES NAMED HEREIN**

## Corporate Governance

The Company is committed to good corporate governance, which we believe promotes the long-term interests of our stockholders and strengthens Board and management accountability.

*Director Independence.* We are not a “listed issuer” within the meaning of Item 407 of Regulation S-K. Applying the definition of “Independent Director” within the OTCQB Standards, we have determined all of our directors are independent directors. This determination, which is made annually, helps assure the quality of the Board’s oversight of management and reduces the possibility of damaging conflicts of interest.

*Board Meetings.* In 2021, the Board met 8 times in person or by teleconference and acted by unanimous written consent 15 times. Of the 8 in-person meetings, three included executive sessions with no members of management present. During 2022, all directors attended at least 75% of the total number of meetings of the Board and committees of the Board on which they served.

*Addition of Meredith Brill to the Board.* On July 13, 2022, the Board voted unanimously to add Ms. Meredith Brill to the Board to fill the vacancy created by the retirement of William Zender.

## Committees of the Board

*Compensation Committee.* Pursuant to the Charter, the Compensation Committee is to be comprised of no fewer than two non-employee members of the Board, and the members shall be free from any relationships or conflicts of interest with respect to the Company that would impair the member’s ability to make independent judgments. The members of the Compensation Committee will be appointed by the Board and can be removed by the Board at any time, with or without cause.

The authority and duties of the Compensation Committee include but are not limited to: approving the corporate goals and objectives relating to compensation and bonus incentive structure of the Chief Executive Officer and other executive officers and key employees and any company-wide bonus plans; approving any material grants of equity compensation; retaining and terminating any compensation consultant; and reviewing and assessing the adequacy of the Charter.

The members of the Compensation Committee are currently Mr. Isaacs (Chairman), and Mr. Waters. The Compensation Committee acted by Unanimous Written Consent on one occasion during 2022.

*Audit Committee.* At a meeting of the Board of Directors on February 21, 2022, the Board approved the creation of an Audit Committee. Members of the Audit Committee are Ms. Kondra (Chair), Mr. Isaacs and Mr. Waters. The Audit Committee met four times during 2022.

The duties of the Audit Committee include but are not limited to: approving the selection of our independent accountants and meeting and interacting with the independent accountants to discuss issues related to financial reporting. In addition, the Audit Committee reviews the scope and results of the audit with the independent accountants, reviews with management and the independent accountants our annual operating results, considers the adequacy of our internal accounting procedures and considers other auditing and accounting matters including fees to be paid to the independent auditor and the performance of the independent auditor. The Audit Committee regularly holds executive sessions with the Company’s independent auditors and internal controls consultants at its regular quarterly meetings.

*Nominating Committee.* Our Board does not maintain a nominating committee. As a result, no written charter governs the director nomination process. The size of our Board, at this time, does not require a separate nominating committee.

*Board’s Role in Risk Oversight.* The Board is responsible for overseeing management in the execution of its responsibilities and for assessing the Company’s approach to risk management. The Board exercises these responsibilities on an ongoing basis as part of its meetings. The Board’s consideration of the Company’s strategies and other matters presented to the Board, including financial matters, investments, acquisitions and divestitures,

inherently include a systematic review of risk. The Board's role in risk oversight is consistent with the Company's leadership structure, with the Chief Executive Officer and other members of senior management having responsibility for managing the Company's risk exposure, and the Board and its committees providing oversight of those efforts.

The Company has implemented internal processes and controls to identify and manage risks and to communicate with the Board regarding risk management. These include suitability reviews of customers, partners, vendors and other persons/entities with which the Company does business, an internal and external audit process, internal approval and signature authority processes and legal department or outside counsel review of material contracts. In connection with these processes and controls, management regularly communicates with the Board, Board committees and individual directors regarding identified risks and the management of these risks, and individual directors often communicate directly with senior management on matters relating to risk management.

In part to further the distinction between management's day to day role in operating the Company and the Board's oversight function, the Company maintains separation between the Company's executive officer functions and service on the Board.

*Stockholder Communications with Directors.* Stockholders may communicate with the Board or an individual director by sending a letter to the Board or to a director's attention care of the Corporate Secretary of the Company at Galaxy Gaming, Inc., 6480 Cameron Street, Suite 305, Las Vegas, Nevada 89118. The Corporate Secretary will open, log and deliver all such correspondence (other than advertisements, solicitations or communications that contain offensive or abusive content) to directors on a periodic basis, generally in advance of each Board meeting.

*Attendance at Stockholders' Meetings.* The Company encourages directors to attend the Annual Meeting. All of our then current Board members attended our 2022 Annual Meeting of Stockholders.

*Code of Ethics.* The Company has not adopted a Code of Ethics for our financial executives, which would include our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The Company does have in place a new code of conduct which is included in its employee handbook, among other policies. The code of conduct and all other policies within the employee handbook are to be followed by all employees.

#### **Cooperation Agreement with Tice Brown**

On April 20, 2022, we entered into a Cooperation Agreement (the "Cooperation Agreement") with Tice Brown ("Mr. Brown").

Pursuant to the terms of the Cooperation Agreement, we agreed to form a hiring committee consisting of two current members of the Board and one independent stockholder who has owned shares of the Company's common stock for more than two years (the "Hiring Committee") for the purpose of identifying and unanimously recommending to the Board a qualified candidate (the "Independent Director") to fill the vacancy that was created by the resignation of Mr. William Zender. The Board agreed to promptly cause the Independent Director, subject to the satisfaction of certain qualifications and requirements as set forth in the Cooperation Agreement, to be appointed to the Board for a term expiring at the 2024 Annual Meeting of Stockholders. This obligation was satisfied when Ms. Brill was subsequently appointed to the Board as an Independent Director.

The Cooperation Agreement also provides for certain "standstill" provisions that restrict Mr. Brown and his affiliates from, among other things, engaging in any solicitation of proxies or written consents with respect to the voting securities of the Company or acquiring any securities of the Company that would result in Mr. Brown having beneficial ownership of more than 9.9% of the Company's voting securities. The standstill provisions expire on the date that is two years after the 2022 Annual Meeting, unless the Cooperation Agreement is earlier terminated in accordance to the terms the Agreement.
