MATTERS TO BE CONSIDERED AND VOTED UPON AT
THE ANNUAL MEETING OF SHAREHOLDERS

AMENDMENT OF ARTICLES OF INCORPORATION

The Board of Directors of the Company has approved two amendments to the Articles of Incorporation. The first amendment increases the number of authorized shares of Common Stock from 100,000,000 to 300,000,000. This increase permits the Board of Directors to issue and sell additional shares of Common Stock. The second amendment creates a "staggered" Board of Directors. The Board of Directors will be divided into three classes and each Director will be assigned into a class. One class of Directors will stand for election at each Annual Meeting of the Shareholders of the Company.

ELECTION OF DIRECTORS

At the Annual Meeting, Shareholders will be asked to consider and to take action on the election of seven (7) members to the Board of Directors and to appoint each Director into a class (see "Election of Directors").

OTHER BUSINESS

To transact such other business as may properly come before the Annual Meeting or any postponements or adjournments thereof. Management does not know of any other matters that are likely to be brought before the Annual Meeting of Shareholders. However, in the event any other matters properly come before the Annual Meeting of Shareholders, such matters will be acted upon accordingly.

The Company has four (4) classes of voting securities entitled to vote at the Annual Meeting, Common Stock, Series A Preferred Stock and Series B Preferred Stock. Each share of Common Stock is entitled to one vote on each matter to be considered. There were also outstanding at the record date 7,078,350 shares of Series A Preferred Stock held of record by approximately 162 shareholders. Each share of Series A Preferred Stock is entitled to one vote on each matter to be considered. There were 160,861 shares of Series B Preferred Stock held of record by six shareholders.

There were also 250,000 shares of Series C Preferred Stock held of record by one shareholder. Each share of Series B Preferred Stock and Series C Preferred Stock is entitled to one vote on each matter to be considered.

The presence in person of the holders of a majority of the outstanding voting shares is necessary to constitute a quorum at the Annual Meeting.

PROPOSAL NO.1 -AMENDMENT OF THE ARTICLES OF INCORPORATION

The Board of Directors has adopted resolutions advising the amendment of the Company's Articles of Incorporation and called for approval by a vote of the stockholders of the Company.

The following is a summary comparison of the major changes proposed to be made to the Articles of Incorporation of the Company. A copy of the Certificate of Amendment is attached to this Information Statement as Exhibit A. Where relevant, a brief discussion is included explaining the purpose of the change and its effect on stockholders, both positive and negative.

The overall effect of the changes to the Articles of Incorporation of the Company is to make more difficult the accomplishment of mergers or the

assumption of control by a principal stockholder, and thus to make more difficult the removal of management.

<TABLE>
<CAPTION>

Subject Matter of Change	Current Articles of Incorporation	Proposed Amendment to Articles of Incorporation
<S>	<C>	<C>
1. Authorized Capital Stock	100,000,000	300,000,000
Purpose: To permit the Board of Directors to issue and sell additional shares of Common Stock.		
Effect: Increases the potential dilution to existing shareholders.		
2. Number and Term Board of Directors	One initial director; bylaws provide for one to seven directors as determined by the Board. Each director serves a term of one year.	Directors shall be divided into three classes, with each class to be as nearly equal number as possible, as specified by resolution of the board of directors or, if the directors in office constitute fewer than a quorum of the board of directors, by affirmative vote of a majority of the directors in office. Term of office of directors is as follows: First Class - expires at first annual meeting of shareholders. Second Class - expires at second annual meeting of shareholders. Third Class - expires at third annual meeting of shareholders. Thereafter, the directors by class shall hold staggered terms of three years.

</TABLE>

5

Purpose: To set the term of office of each director and to stagger the terms of the directors to ensure the continuity of the board of directors and management

Effect: A staggered board of directors affects every election of directors. The staggered system of electing directors makes it more difficult for shareholders to change the majority of directors even when the only reason for the change may be the performance of the present directors. Changing the majority of directors under the staggered system requires three separate annual meetings, while under the current system of electing directors only one annual meeting is necessary to change all of the of directors. As an anti-takeover measure, the effect is to prevent insurgent shareholders from immediately seizing control of the board of directors, either through stock acquisitions or a proxy contest.

PROPOSAL NO.2 --ELECTION OF DIRECTORS

At the Annual Meeting, Shareholders will be asked to consider and to take action on the election of seven persons to the Board of Directors. Each of the seven persons named below is a nominee for election as a director and all nominees are currently serving as directors of the Company. If any such nominee cannot be a candidate for election at the Annual Meeting, then it is management's intention to vote its shares voted either for a substitute nominee designated by the Board of Directors or for the election only of the remaining nominees.

Each nominee will be elected to a class of Directors. Two Class I Directors will be elected for a term of one year and will be subject to re-election at the Annual Meeting of Shareholders in 2006. Two Class II Directors will be elected for a term of two years and will be subject to re-election at the Annual Meeting of Shareholders in 2007. Three Class III Directors will be elected for a term of three years and will be subject to re-election at the Annual Meeting of Shareholders in 2008. The Directors will be divided as nearly equally as possible into classes.

6

VOTE REQUIRED

The election of the director nominees will require the affirmative vote of a

plurality of the votes cast by the stockholders entitled to vote. "Plurality" means that the individuals who receive the largest number of votes cast are elected as Directors up to the maximum number of Directors to be chosen at the meeting. Consequently, any shares not voted (whether by abstentions, broker nonvotes or otherwise) have no impact in the election of Directors, except to the extent the failure to vote for an individual results in another individual receiving a larger number of votes. The election of Directors will be accomplished by determining the seven nominees receiving the highest total votes.

The following table sets forth information regarding director nominees of the Company. A summary of the background and experience of each of these individuals is set forth after the table.
