Proposal

Recommendation**

The Company has designed its executive compensation program to attract and retain executive talent, foster excellent business performance and align compensation with the long-term interests of our stockholders. The Board and Compensation Committee value stockholders' opinions and will take into account the outcome of the advisory vote when considering future executive compensation decisions.

FOR

The Audit Committee has appointed Moss Adams, LLP to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2022. As a matter of good corporate governance, stockholders are being asked to ratify the appointment of Moss Adams, LLP.

Methods of Voting

By Internet, Telephone or Mail

Your vote is important, no matter the number of shares of the Company's common stock you own. The Company urges you to sign, date, and return the enclosed WHITE proxy card today to vote FOR the election of the Nominees and the other proposals on the agenda for the 2022 Annual Meeting.

- If your shares of common stock are registered in your own name, please mark, sign and date the enclosed WHITE proxy card and return it to Galaxy in the enclosed postage-paid envelope today.
- If your shares of common stock are held in a brokerage account or bank, you are considered the beneficial owner of the shares of common stock, and these proxy materials, together with a WHITE proxy card, are being forwarded to you by your broker or bank. As a beneficial owner, you must instruct your broker, trustee or other representative how to vote. Your broker cannot vote your shares of common stock on your behalf without your instructions. As a beneficial owner, you may vote the shares at the 2022 Annual Meeting only if you obtain a legal proxy from the broker or bank giving you the rights to vote the shares.
- Depending upon your broker or custodian, you may be able to vote either by toll-free telephone or by the Internet. Please refer to the enclosed WHITE proxy card for instructions on how to vote electronically. You may also vote by signing, dating and returning the enclosed WHITE proxy card.

When a stockholder submits a proxy via the Internet or by telephone, his or her proxy is recorded immediately. The Company encourages its stockholders to submit their proxies using these methods whenever possible. If you submit a proxy via the Internet or by telephone, please do not return your WHITE proxy card by mail. If you attend the virtual Annual Meeting, you may also submit your vote online at the virtual Annual Meeting. Any votes that you previously submitted — whether via the Internet, by telephone or by mail — will be superseded by the vote that you cast at the Annual Meeting.

Your vote is important. Accordingly, please submit your proxy via the Internet, by telephone or by mail, whether or not you plan to attend the Annual Meeting.

Stockholders are requested to submit their proxies through one of the above methods. All properly submitted proxies will be voted in accordance with the instructions indicated. If you are a stockholder of record and you submit your proxy but do not specify how the shares represented thereby are to be voted, your shares will be voted "FOR" with respect to the election of the Company's two (2) nominees for members of the Board, "FOR" Proposal 2 and "FOR" Proposal 3.

The Board does not presently intend to bring any business before the Annual Meeting other than that referred to in this Proxy Statement and specified in the Notice of the Annual Meeting. By signing and returning a WHITE proxy card, a stockholder confers discretionary authority on the proxies (who are persons designated by the Board) to vote all shares covered by the proxy card in their discretion on any other matter that may properly come before the Annual Meeting.

Changing Your Vote

A stockholder may revoke a proxy at any time prior to its being voted by delivering written notice to the Corporate Secretary of the Company, by delivering a properly executed later-dated proxy card, by submitting a later-dated proxy via the internet or telephone, or by voting at the Annual Meeting. Your latest vote counts.

Quorum

The presence at the Annual Meeting or by proxy (regardless of whether the proxy has authority to vote on all matters), of the holders of not less than fifty percent (50%) of the shares entitled to vote at the Annual Meeting constitutes a quorum for the transaction of business.

Vote Required

Assuming a quorum is present, directors will be elected (Proposal 1) by a plurality of the votes cast in person or by proxy at the Annual Meeting. Thus, the two director nominees receiving the highest number of votes will be elected.

Assuming a quorum is present, Proposal 2 (Say-on-Pay) and Proposal 3 (Ratification of Accounting Firm) each requires that the number of votes cast "FOR" such proposal exceeds the number of votes "AGAINST" at the Annual Meeting.

Effect of Withheld Votes or Abstentions

If you vote "WITHHOLD" in the election of directors or vote "ABSTAIN" (rather than vote "FOR" or "AGAINST") with respect to any other proposal, your shares will count as present for purposes of determining whether a quorum is present. A "WITHHOLD" vote will have no effect on the outcome of the election of directors (Proposal 1), and an "ABSTAIN" vote will not be counted as a vote cast "FOR" or "AGAINST" and will accordingly have no effect on the outcome of Proposals 2 or 3.

Effect of Broker Non-Votes

A broker "non-vote" occurs when a broker or nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power on that item and has not received specific instructions from the beneficial owner. Brokers only have discretionary voting authority under "routine" proposals under the rules. If any broker "non-votes" occur at the meeting, the broker "non-votes" will count for purposes of determining whether a quorum is present but will not have an effect on any proposals presented for your vote because they are not considered votes cast. A broker or other nominee holding shares for a beneficial owner may not vote these shares with respect to the election of directors (Proposal 1). Brokers and other nominees will have discretionary voting power to vote without instructions from the beneficial owner on the ratification of the appointment of our independent registered public accounting firm (Proposal 3) and, accordingly, your shares may be voted by your broker or nominee on Proposal 3 without your instructions. Brokers and other nominees will not have discretionary voting power to vote without instructions from the beneficial owner on the advisory vote of our executive compensation (Proposal 2).

Proxy Solicitation

We will pay the costs of our proxy solicitation. Proxies are being solicited primarily by mail, but, in addition, our officers and employees may solicit proxies in person, by telephone or electronically. The Company has also retained Kingsdale Advisors for certain advisory services and to aid in the solicitation of proxies and will request brokerage houses and other nominees, fiduciaries and custodians to forward soliciting materials to beneficial owners of the Company's common stock. For these services, the Company will pay Kingsdale Advisors a fee of up to \$90,000 plus reimbursement for reasonable out-of-pocket expenses.

Nominees for Election

The Second Amended and Restated Bylaws of the Company provides for the classification of the Board into three (3) classes serving staggered terms, with each Class serving for a three (3)-year term, or until their respective successor has been duly elected and qualified or their earlier death, resignation or removal. For the 2022 Annual Meeting, the Board has nominated the two (2) Class III directors, Mr. Gavin Isaacs and Ms. Cheryl Kondra, for re-election, each to serve for a three (3)-year term ending at the Company's 2025 Annual Meeting, or until their respective successor has been duly elected and qualified or their earlier death, resignation or removal. Mr. Isaacs has served as a director since June 2019, and Ms. Kondra has served as a director since December 2021. Ms. Kondra was first identified to the Board as a potential candidate by an executive search firm.

The Board recommends that you vote "FOR" the election of each of Mr. Gavin Isaacs and Ms. Cheryl Kondra for re-election, and the persons named as proxies on the enclosed WHITE proxy card will vote the proxies received by them for the election of each of the nominees. Each nominee has indicated a willingness to serve as a director. However, if any nominee becomes unavailable to serve before the election, proxies may be voted for a substitute nominee selected by the Board, or the Board may decide to reduce the number of directors.

The name, business experience and certain other information regarding each of the Board's nominees is set forth below:

Qualifications of Directors

Our directors are responsible for overseeing the management of the Company’s business and affairs, which requires highly skilled and experienced individuals. Our Board does not maintain a separate nominating committee. The entire Board from time to time engages in evaluating the appropriate size, needs and diversity of the Board with the objective of maintaining the necessary experience, skills and independence on the Board.

When evaluating director nominees, our directors consider the following factors:

- The appropriate size and diversity of our Board;
- Our needs with respect to the particular talents and experience of our directors;
- The knowledge, skills and experience of nominees, including experience in finance, administration or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;
- Experience in political affairs;
- Experience with accounting rules and practices;
- The desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by new Board members; and
- Experience in the gaming industry and the desire and ability to successfully pass the extensive regulatory suitability investigations required by the Company and many gaming jurisdictions.

Our goal is to assemble a Board that brings together a variety of perspectives and skills derived from high quality business and professional experience. In doing so, the Board will also consider candidates with appropriate non-business backgrounds. Other than the foregoing, there are no stated minimum criteria for director nominees, although the Board may also consider such other factors as it may deem are in our best interests as well as our stockholders, including a nominee’s experience and licensure in the gaming industry. Although the Board does not have a formal policy on diversity, it believes that diversity is an important consideration in the composition of the Board, and it seeks to include Board members with diverse backgrounds, perspectives, geography, culture, ethnicity, gender and experiences. Further criteria include the candidates’ integrity and values, as well as the willingness to devote sufficient time to attend meetings and participate effectively on the Board and its committees.

Current members of the Board are polled for suggestions as to individuals meeting the criteria described above. The Board may also engage in research to identify qualified individuals. To date, we have not engaged third parties to identify or evaluate or assist in identifying additional potential nominees, although we reserve the right in the future to retain a third-party search firm, if necessary. The Board does not have a formal policy regarding the consideration of director candidates recommended by stockholders because it believes that its current nomination process is sufficient to identify directors who serve the Company's best interests. The Board would evaluate any stockholder nominees based on the same criteria as all other director nominees, including without limitation, the ability to successfully pass the strict suitability investigations conducted by the Company and various gaming regulatory agencies.

THE BOARD RECOMMENDS A VOTE "FOR" EACH OF THE TWO NOMINEES NAMED HEREIN

Corporate Governance

The Company is committed to good corporate governance, which we believe promotes the long-term interests of our stockholders and strengthens Board and management accountability.

Director Independence. We are not a “listed issuer” within the meaning of Item 407 of Regulation S-K. Applying the definition of “Independent Director” within the OTCQB Standards, we have determined all of our directors are independent directors. This determination, which is made annually, helps assure the quality of the Board’s oversight of management and reduces the possibility of damaging conflicts of interest.

Board Meetings. In 2021, the Board met 11 times in person or by teleconference and acted by unanimous written consent 12 times. Of the 11 in-person meetings, three included executive sessions with no members of management present. During 2021, all directors attended at least 75% of the total number of meetings of the Board and committees of the Board on which they served.

Addition of Cheryl Kondra to the Board. On December 2, 2021 the Board voted unanimously to add Cheryl Kondra to the Board to fill the vacancy created by the passing of Norman DesRosiers. Ms. Kondra is also the chair of the recently approved Audit Committee, as discussed below.

Committees of the Board

Compensation Committee. Pursuant to the Charter, the Compensation Committee is to be comprised of no fewer than two non-employee members of the Board, and the members shall be free from any relationships or conflicts of interest with respect to the Company that would impair the member’s ability to make independent judgments. The members of the Compensation Committee will be appointed by the Board and can be removed by the Board at any time, with or without cause.

The authority and duties of the Compensation Committee include but are not limited to: approving the corporate goals and objectives relating to compensation and bonus incentive structure of the Chief Executive Officer and other executive officers and key employees and any company-wide bonus plans; approving any material grants of equity compensation of more than 100,000 shares of our common stock; retaining and terminating any compensation consultant; and reviewing and assessing the adequacy of the Charter.

The members of the Compensation Committee are currently Mr. Isaacs (Chairman), Mr. Waters and Mr. Zender. The Compensation Committee held no meetings during 2021.

Audit Committee. At a meeting of the Board of Directors on February 21, 2022, the Board approved the creation of an Audit Committee. Members of the Audit Committee are Ms. Kondra (Chair), Mr. Isaacs and Mr. Waters.

The duties of the Audit Committee include but are not limited to: approving the selection of our independent accountants and meeting and interacting with the independent accountants to discuss issues related to financial reporting. In addition, the Audit Committee reviews the scope and results of the audit with the independent accountants, reviews with management and the independent accountants our annual operating results, considers the adequacy of our internal accounting procedures and considers other auditing and accounting matters including fees to be paid to the independent auditor and the performance of the independent auditor. The Audit Committee regularly holds executive sessions with the Company’s independent auditors and internal controls consultants at its regular quarterly meetings.

Nominating Committee. Our Board does not maintain a nominating committee. As a result, no written charter governs the director nomination process. The size of our Board, at this time, does not require a separate nominating committee.

Board's Role in Risk Oversight. The Board is responsible for overseeing management in the execution of its responsibilities and for assessing the Company's approach to risk management. The Board exercises these responsibilities on an ongoing basis as part of its meetings. The Board's consideration of the Company's strategies and other matters presented to the Board, including financial matters, investments, acquisitions and divestitures, inherently include a systematic review of risk. The Board's role in risk oversight is consistent with the Company's leadership structure, with the Chief Executive Officer and other members of senior management having responsibility for managing the Company's risk exposure, and the Board and its committees providing oversight of those efforts.

The Company has implemented internal processes and controls to identify and manage risks and to communicate with the Board regarding risk management. These include suitability reviews of customers, partners, vendors and other persons/entities with which the Company does business, an internal and external audit process, internal approval and signature authority processes and legal department or outside counsel review of material contracts. In connection with these processes and controls, management regularly communicates with the Board, Board committees and individual directors regarding identified risks and the management of these risks, and individual directors often communicate directly with senior management on matters relating to risk management.

In part to further the distinction between management's day to day role in operating the Company and the Board's oversight function, the Company maintains separation between the Company's executive officer functions and service on the Board.

Stockholder Communications with Directors. Stockholders may communicate with the Board or an individual director by sending a letter to the Board or to a director's attention care of the Corporate Secretary of the Company at Galaxy Gaming, Inc., 6480 Cameron Street, Suite 305, Las Vegas, Nevada 89118. The Corporate Secretary will open, log and deliver all such correspondence (other than advertisements, solicitations or communications that contain offensive or abusive content) to directors on a periodic basis, generally in advance of each Board meeting.

Attendance at Stockholders' Meetings. The Company encourages directors to attend the Annual Meeting. All of our then current Board members attended our 2021 Annual Meeting of Stockholders.

Code of Ethics. The Company has not adopted a Code of Ethics for our financial executives, which would include our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The Company does have in place a new code of conduct which is included in its employee handbook, among other policies. The code of conduct and all other policies within the employee handbook are to be followed by all employees.

Cooperation Agreement with Tice Brown

On April 20, 2022, we entered into a Cooperation Agreement (the "Cooperation Agreement") with Tice Brown ("Mr. Brown").

Pursuant to the terms of the Cooperation Agreement, Mr. Brown has agreed to (1) irrevocably withdraw his previously proposed nomination of himself to the Board and his proposal requesting that the Board declassify the Board by electing each director on an annual basis, with respect to the 2022 Annual Meeting, (2) immediately cease all solicitation efforts in connection with the 2022 Annual Meeting and (3) cause all voting securities of the Company owned beneficially by Mr. Brown and for which he has the right to direct the vote, to be cast in favor of each of the Company's proposals and for each of the Board's nominees for director at the 2022 Annual Meeting.

In addition, we agreed to form a hiring committee consisting of two current members of the Board and one independent stockholder who has owned shares of the Company's common stock for more than two years (the "Hiring Committee") for the purpose of identifying and unanimously recommending to the Board a qualified

candidate (the “Independent Director”) to fill the vacancy that will be created by the resignation of Mr. William Zender. The Board has agreed to promptly cause the Independent Director, subject to the satisfaction of certain qualifications and requirements as set forth in the Cooperation Agreement, to be appointed to the Board for a term expiring at the 2024 Annual Meeting of Stockholders.

The Cooperation Agreement also provides for certain “standstill” provisions that restrict Mr. Brown and his affiliates from, among other things, engaging in any solicitation of proxies or written consents with respect to the voting securities of the Company or acquiring any securities of the Company that would result in Mr. Brown having beneficial ownership of more than 9.9% of the Company’s voting securities. The standstill provisions expire on the date that is two years after the 2022 Annual Meeting, unless the Cooperation Agreement is earlier terminated in accordance to the terms hereof. The Cooperation Agreement also provides Mr. Brown with certain Board observer rights prior to the appointment of the Independent Director.

PROPOSAL 2
APPROVAL, ON AN ADVISORY BASIS, OF THE
COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

In accordance with the requirements of Section 14A of the Exchange Act and the related rules of the SEC, our stockholders have the opportunity to cast an advisory vote every third year to approve the compensation of our named executive officers as disclosed pursuant to the SEC's compensation disclosure rules, the compensation tables, and the narrative disclosures that accompany the compensation tables (a "say-on-pay proposal").

Our executive compensation program is designed to be simple, effective, and link pay to performance. It reflects the size, scope, and success of our business, as well as the responsibilities of our named executive officers. We believe our compensation program appropriately rewards performance and is aligned with the long-term interests of our stockholders.

We value the feedback provided by our stockholders. We have discussions with many of our stockholders on an ongoing basis regarding various corporate governance topics, including executive compensation, and we make every effort to take into account the views of stockholders regarding the design and effectiveness of our executive compensation program.

Stockholders are being asked to approve the following resolution at the Annual Meeting:

RESOLVED, that the compensation paid to the named executive officers as disclosed in this Proxy Statement pursuant to the SEC's executive compensation disclosure rules, is hereby approved.

As an advisory vote, this proposal is not binding on the Company, the Compensation Committee or the Board. However, the Board and Compensation Committee value the opinions expressed by stockholders in their votes on this proposal and will consider the outcome of the vote when making future compensation decisions regarding named executive officers.

It is expected that the next say-on-pay vote will occur at the 2025 annual meeting of stockholders.

THE BOARD RECOMMENDS A VOTE "FOR" THE APPROVAL,
