Notes to Financial Statements  
June 30, 2008 and December 31, 2007

**NOTE 1 - CONDENSED FINANCIAL STATEMENTS**

The accompanying financial statements have been prepared by the Company without audit. In the opinion of management, all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position, results of operations, and cash flows at June 30, 2008, and for all periods presented herein, have been made.

Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted. It is suggested that these condensed financial statements be read in conjunction with the financial statements and notes thereto included in the Company's December 31, 2007 audited financial statements. The results of operations for the periods ended June 30, 2008 and 2007 are not necessarily indicative of the operating results for the full years.

**NOTE 2 - GOING CONCERN**

The Company's financial statements are prepared using generally accepted accounting principles in the United States of America applicable to a going concern which contemplates the realization of assets and liquidation of liabilities in the normal course of business. The Company has not yet established an ongoing source of revenues sufficient to cover its operating costs and allow it to continue as a going concern. The ability of the Company to continue as a going concern is dependent on the Company obtaining adequate capital to fund operating losses until it becomes profitable. If the Company is unable to obtain adequate capital, it could be forced to cease operations.

In order to continue as a going concern, the Company will need, among other things, additional capital resources. Management's plan is to obtain such resources for the Company by obtaining capital from management and significant shareholders sufficient to meet its minimal operating expenses and seeking equity and/or debt financing. However management cannot provide any assurances that the Company will be successful in accomplishing any of its plans.

The ability of the Company to continue as a going concern is dependent upon its ability to successfully accomplish the plans described in the preceding paragraph and eventually secure other sources of financing and attain profitable operations. The accompanying financial statements do not include any adjustments that might be necessary if the Company is unable to continue as a going concern.

On June 26, 2008, we were served with an involuntary petition for relief under Chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the District of Nevada (the "Bankruptcy Court"), Case No. 08-16332.

## **Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations**

### **Forward-Looking Statements**

Certain statements, other than purely historical information, including estimates, projections, statements relating to our business plans, objectives, and expected operating results, and the assumptions upon which those statements are based, are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These forward-looking statements generally are identified by the words "believes," "project," "expects," "anticipates," "estimates," "intends," "strategy," "plan," "may," "will," "would," "will be," "will continue," "will likely result," and similar expressions. We intend such forward-looking statements to be covered by the safe-harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995, and are including this statement for purposes of complying with those safe-harbor provisions. Forward-looking statements are based on current expectations and assumptions that are subject to risks and uncertainties which may cause actual results to differ materially from the forward-looking statements. Our ability to predict results or the actual effect of future plans or strategies is inherently uncertain. Factors which could have a material adverse affect on our operations and future prospects on a consolidated basis include, but are not limited to: changes in economic conditions, legislative/regulatory changes, availability of capital, interest rates, competition, and generally accepted accounting principles. These risks and uncertainties should also be considered in evaluating forward-looking statements and undue reliance should not be placed on such statements. We undertake no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise. Further information concerning our business, including additional factors that could materially affect our financial results, is included herein and in our other filings with the SEC.

### **Overview**

On June 26, 2008, we were served with an involuntary petition for relief under Chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the District of Nevada (the "Bankruptcy Court"), Case No. 08-16332. The bankruptcy court's Order for Relief was entered on July 30, 2008. During the pendency of our chapter 11 bankruptcy case, we intend to continue to operate our business as "debtors-in-possession" under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court.

At the beginning of the reporting period, we held an interest in two properties known as the Cactus Road Property and the Lincoln Drive Property. The following sets forth the current status of each property.

### ***Cactus Road Property***

On February 15, 2006, we acquired a 33 1/3% tenant-in-common interest in property located at 12202 North Scottsdale Road, Phoenix, Arizona 85054. We acquired our interest for \$200,000 from Ms. Jan Wallace, our director, who holds the remaining 66 2/3% ownership in the property.

The property was subject to a first trust deed held by Chase Manhattan Mortgage with a principal balance of \$529,950. Last quarter we reported that the property was in foreclosure with a potential short sale in negotiation with Chase Manhattan. A short sale was not possible, and in June 2008, Chase Manhattan foreclosed on the property. Since we were not a party to the deed of trust, we are not liable for a deficiency on the property in ongoing bankruptcy proceedings.

### ***Lincoln Drive Property***

Our only remaining asset, which is now part of the bankruptcy estate, is a 25% tenant - -in-common interest in three buildings located at 5203 - 5205 East Lincoln Drive in Paradise Valley, Maricopa County, Arizona 85253. We acquired our 25% interest from Fazoql, Inc. as a joint venture investment with Fazoql and Willowpoint, LLC, an Arizona limited liability company. Fazoql had previously obtained a 50% interest from Willowpoint, which retained a 50% ownership interest in the property. We then obtained our 25% interest directly from Fazoql. Patrick McNevin, a former member of our board of directors, is President of Fazoql. Currently, the property is subject to a first trust deed held by Marshall & Ilsey Bank with a principal balance of approximately \$852,146 bearing an annual interest rate of 6.5% per annum. The loan matures May 1, 2010.

The future of our interest in this property is subject to further bankruptcy proceedings.

## **Results of Operations for the three and six months ended June 30, 2008 and 2007**

### ***Comparison the three and six months ended June 30, 2008 and 2007.***

*Income.* In our financial statements we reclassified our 2006 income for comparative purposes. We recorded a loss in continued operations of \$229,250 for the three months ended June 30, 2008, compared with a loss in continued operations of \$157,062 for the three months ended June 30, 2007. We recorded a loss in continued operations of \$289,054 for the six months ended June 30, 2008, compared with a loss in continued operations of \$254,647 for the six months ended June 30, 2007.

We recorded \$0 in discontinued operations for the three months ended June 30, 2008 as compared with a loss in discontinued operations of \$13,617 for the same period ended 2007. We recorded \$0 in discontinued operations for the six months ended June 30, 2008 as compared with a loss in discontinued operations of \$21,195 for the same period ended 2007. Income from discontinued operations consists primarily of rental income from commercial properties pursuant to tenant leases. Our operations were discontinued because we were in default on both the Katella and Campus properties. We disposed of the properties in exchange for satisfaction of the debt owed.

*Operating Expenses.* Operating and administrative expenses consist primarily of payroll expenses, legal and accounting fees and costs associated with the acquisition and ownership of real properties. We had operating expenses of \$226,194 for the period ended June 30, 2008 compared with \$155,696 for the three months ended June 30, 2007. We had operating expenses of \$235,998 for the six months ended June 30, 2008 compared with \$259,680 for the six months ended June 30, 2007.

*Other Expenses.* We reported other expenses of \$3,056 for the three months ended June 30, 2008 compared with \$1,367 for the three months ended June 30, 2007. We reported other expenses of \$53,056 for the six months ended June 30, 2008 compared with other income of \$5,033 for the six months ended June 30, 2007.

*Net Loss.* We reported a net loss of \$229,250 or \$0.70 per share for the three months ended June 30, 2008 compared to a net loss of \$170,680 or \$1.08 per share for the three months ended June 30, 2007. We reported a net loss of \$289,054 or \$1.06 per share for the six months ended June 30, 2008 compared to a net loss of \$275,842 or \$1.76 per share for the six months ended June 30, 2007.

## **Liquidity and Capital Resources**

### ***Capital Resources***

As stated in financial statement Note 2 - Going Concern, we do not have an established source of revenues sufficient to continue to cover our operating costs over an extended period of time allowing us to continue as a going concern. Moreover, we do not currently possess a financial institution source of financing or an adequate principal source of financing and it does not appear likely that we will be able to obtain such a source.

At June 30, 2008, we had \$15,428 of cash and cash equivalents to meet our immediate short-term liquidity requirements. We have been unsuccessful in pursuing revenues with our investment properties the majority of these properties were acquired in an asset purchase from Seashore Investment Company, Inc. a related party. Several of our acquired properties, including the T-Rex Plaza, the Hospitality Inn, and the Katella Center, among others, became impaired and or were assets that underperformed. These properties were incapable of generating sufficient revenues. A major contributing factor to the lack revenues from these properties was high-cost ground lease obligations underlying these properties. The assets that were cash-producing such as the Decatur Center, Spencer Springs and the Cannery, had to be sold to continue our operations, including the high costs associated with being a public company, in addition to absorbing the costs associated with our impaired and underperforming assets.

At the date of this quarterly report, the Company has essentially ceased operations and is not a going concern. We are in currently in bankruptcy proceedings.

### ***Cash Flows from Operating Activities***

Net cash used by operating activities was \$(31,256) for the six months ended June 30, 2008 comparable to net cash used by operating activities of \$(2,266) for the same period ended June 30, 2007.

### ***Cash Flows from Investing Activities***

Net cash provided by investing activities amounted to \$0 for the six months ended June 30, 2008 compared to the \$287 for same period ended June 30, 2007.

### ***Cash Flows from Financing Activities***

Cash provided by financing activities amounted to \$45,000 for the six months ended June 30, 2008 as a result of a third-party loan, compared to cash used by financing activities of \$(8,248) for the same period ended June 30, 2007.

### **Off Balance Sheet Arrangements**

As of June 30, 2008, there were no off balance sheet arrangements.

### **Item 3. Quantitative and Qualitative Disclosures about Market Risk**

A smaller reporting company is not required to provide the information required by this Item.

### **Item 4T. Controls and Procedures**

We carried out an evaluation of the effectiveness of the design and operation of our disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) as of March 31, 2008. This evaluation was carried out under the supervision and with the participation of our Chief Executive Officer and Chief Financial Officer, Mr. Munjit Johal. Based on this evaluation, our Chief Executive Officer and Chief Financial Officer has concluded that our internal control over financial reporting was not effective as of June 30, 2008 as the result of a material weakness. The material weakness results from significant deficiencies in internal control that collectively constitute a material weakness.

A significant deficiency is a deficiency, or combination of deficiencies, in internal control over financial reporting that is less severe than a material weakness, yet important enough to merit attention by those responsible for oversight of the registrant's financial reporting. The Company had the following significant deficiencies at June 30, 2008: The Company is effectively insolvent, and only has one employee to oversee bank reconciliations, posting payables, and so forth, so there are no checks and balances on internal controls.

We are unable to remedy our internal controls until we are able to locate another business opportunity, or receive financing to hire additional employees. At this time, we are effectively not a going concern.

### **Limitations on the Effectiveness of Internal Controls**

Our management does not expect that our disclosure controls and procedures or our internal control over financial reporting will necessarily prevent all fraud and material error. Our disclosure controls and procedures are designed to provide reasonable assurance of achieving our objectives and our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures are effective at that reasonable assurance level. Further, the design of a control system must reflect the fact that there are resource constraints, and the benefits of controls must be considered relative to their costs. Because of the inherent limitations in all control systems, no evaluation of controls can provide absolute assurance that all control issues and instances of fraud, if any, within the Company have been detected. These inherent limitations include the realities that judgments in decision-making can be faulty, and that breakdowns can occur because of simple error or mistake. Additionally, controls can be circumvented by the individual acts of some persons, by collusion of two or more people, or by management override of the internal control. The design of any system of controls also is based in part upon certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions. Over time, control may become inadequate because of changes in conditions, or the degree of compliance with the policies or procedures may deteriorate.

## CERTIFICATIONS

I, Munjit Johal, certify that;

- (1) I have reviewed this quarterly report on Form 10-Q of Secured Diversified Investment, Ltd.;
- (2) Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;
- (3) Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the small business issuer as of, and for, the periods presented in this report;
- (4) The small business issuer's other certifying officer(s) and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) for the small business issuer and have:
  - a) Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the small business issuer, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;
  - b) Evaluated the effectiveness of the small business issuer's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and
  - c) Disclosed in this report any change in the small business issuer's internal control over financial reporting that occurred during the small business issuer's most recent fiscal quarter (the small business issuer's fourth quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the small business issuer's internal control over financial reporting; and
- (5) The small business issuer's other certifying officer(s) and I have disclosed, based on our most recent evaluation of the internal control over financial reporting, to the small business issuer's auditors and the audit committee of small business issuer's board of directors (or persons performing the equivalent functions):
  - a) All significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the small business issuer's ability to record, process, summarize and report financial information; and
  - b) Any fraud, whether or not material, that involves management or other employees who have a significant role in the small business issuer's internal control over financial reporting.
