**Explanation of Responses:**

- Each Performance Right represented a contingent right to receive one share of issuer's Common Stock upon achievement of certain performance targets. The underlying shares of Common Stock are subject to a transfer restriction and risk of forfeiture upon the occurrence of certain events, which transfer restriction and risk of forfeiture lapse based on the continued performance of services by the reporting person over time or the satisfaction of performance objectives.
- On December 30, 2024, the vesting of the Performance Rights was accelerated on such date assuming achievement in full of the performance targets for 2024, and the underlying shares of the issuer's Common Stock were issued to the reporting person.
